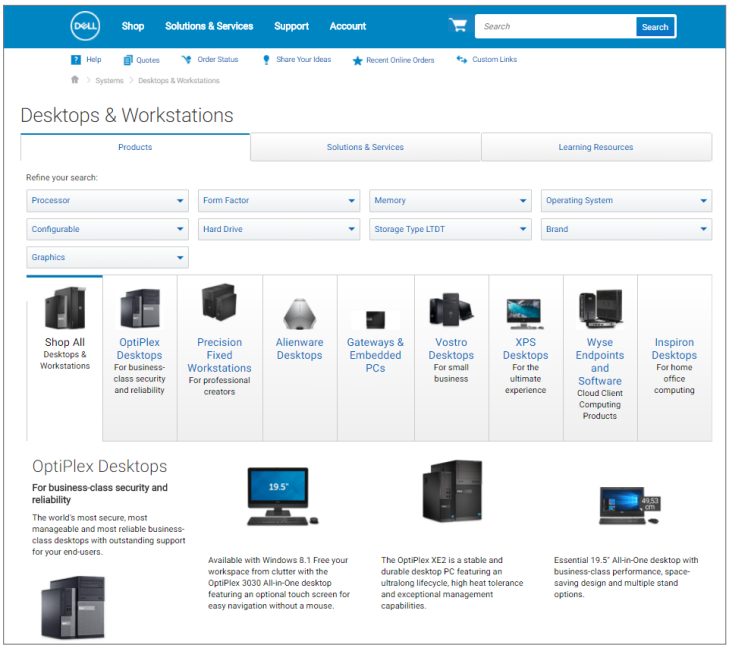
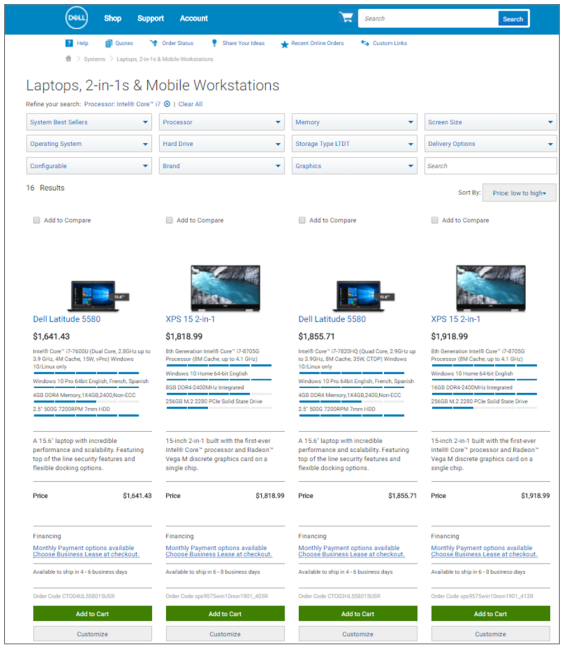
Dell Premier

Designed for Business. Customized for You.





Designed for an optimal navigation experience

Navigate with ease: Featuring redesigned system pages, the Premier page now facilitates your shopping experience with an easier and cleaner view.

Refine your search: The new and powerful assisted navigation helps you to find the right products for your business needs.

Single page experience: When viewing a product, the top tabs provide streamlined access to features, technical specs or accessories for an improved navigation.

Easy to compare: Add the products you would like to compare, and quickly determine which is best for your needs by using our new flyout module.

Premier shopping has never been easier.

Easy

An improved environment for exploring, refining, comparing our products with ease and get the best configuration.

Intuitive

A cleaner and simpler view to provide you with a seamless experience. What you need is now at your fingertips.

Powerful

A powerful and fluid navigation, so you spend less time finding the right product for your organization and more time running your business.
