Why Dell Premier?

Explore Products

Dell systems and software & peripherals catalogs display the complete line of Dell branded products as well as a large selection of 3rd party products.

Customize purchasing

Shop a customizable site that enforces your organization's agreed upon products and pricing while determining what each user can see and do on the site.

Streamline Ordering

Simplify the purchase process by easily integrating your ERP system with Dell Premier.

Track and Manage

Premier provides automated email notifications designed to keep you informed of your Dell order status. Track orders, access invoices and download account history, all with robust reporting.

Personalized

Premier Dashboard gives you the ability to personalize your Premier landing page.

Controllable

Premier User Access Management enables exact management of what users can see and do on the page.

Simple

Lists enable you to organize and access your frequently purchased products and favorites.
