

DELL™ S2209W

21.5-INCH WIDESCREEN FLAT PANEL MONITOR

ENJOY DESKTOP ENTERTAINMENT CONTENT AT ITS BEST

Take your entertainment to new heights with the superb clarity, stunning detail, complete 16:9 widescreen and 1080p resolution on the S2209W, Dell's first 22-inch (21.5-inch viewable) Full-HD 16:9 LCD Computer Desktop Monitor. This stylish new display presents movie blockbusters, photos and videos from your PC in breathtaking 1920 x 1080 resolution, delivering superb multimedia experiences again and again with astounding image clarity and picture quality.

The 21.5" widescreen also features a 5ms (typical) response time, 1000:1 (typical) contrast ratio and a brightness of 300cd/m² (typical) for a truly compelling desktop display. Movies, videos, photos, games & the web just look super on this display.

Connectivity comprises VGA for connecting to the vast majority of computers, as well as DVI-D with HDCP to enable fully-digital display of movies and copy-protected high-definition media content. Add the optional Dell AX510PA multimedia sound-bar for enhanced audio performance that will complete your multimedia experience.

User-friendly wall mounting (wall mounting equipment sold separately) and cable management help reduce desktop clutter, and maximum viewing comfort can be easily realized with 4° forward and 21° backward tilt-adjustability of the display head.

Transform your desktop entertainment. Inspired by You, Designed by Dell.

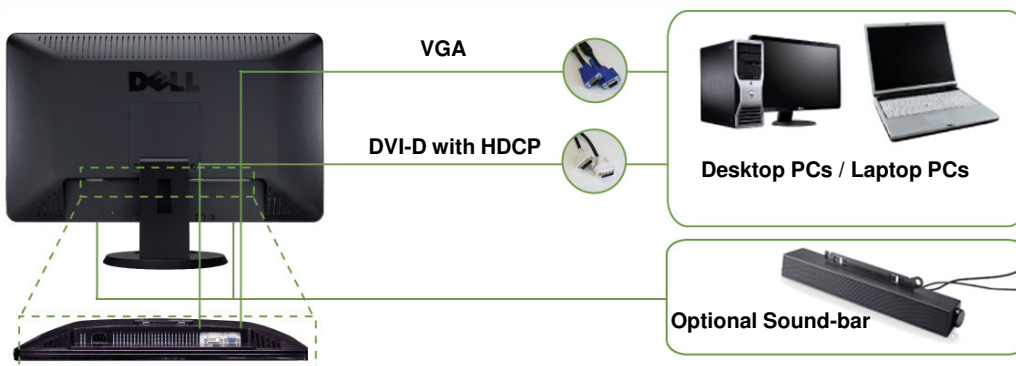

OUTSTANDING FRONT-OF-SCREEN PERFORMANCE

- Savor movies, videos and games in 16:9 display & Full HD 1920 x 1080 resolution on the 21.5" widescreen.
- Relish fast-moving movie scenes & graphics in brilliant clarity enabled by the fast 5ms (typical) response time.
- See breathtaking detail, color contrast and rich deep blacks delivered by the 1000:1 (typical) contrast ratio.
- Enjoy hours of comfortable movie/media viewing with an onscreen brightness of 300cd/m² (typical).

EXCELLENT AUDIO/VIDEO, MULTIMEDIA AND GRAPHICS EXPERIENCE

- View DVD movies as well as copy-protected high-definition content from your PC via the DVI-D with HDCP, while enjoying full compatibility with Microsoft Windows Vista® Home Premium.
- You can also connect to mainstream computers using the VGA connector.
- Experience superb audio by adding the optional Dell AX510PA multimedia sound-bar.

DESIGNED FOR COMFORT AND CONVENIENCE

- Slim, stylish black bezel design fits most home environments and desktop/laptop computers.
- Easy display detachment from stand enables panel to be wall-mounted. (VESA standard 100mm, wall mount sold separately).
- Cable management feature helps to reduce desk clutter.

- Panel tilt support of 4° forward and 21° back helps enable maximum comfort.

Why Dell Monitors?

TECHNOLOGY LEADERSHIP

Dell consistently strives to provide the greatest and latest in display innovations, bringing relevant, customer-driven technology to you for an enhanced viewing experience.

UNCOMPROMISING VALUE

Dell monitors are designed to exacting standards and manufactured by some of the world's foremost suppliers, consistently delivering outstanding performance, quality and reliability.

WORLD CLASS SERVICE & SUPPORT

Enjoy the exceptional service and support that you have come to expect from the Dell brand. We provide accountability, a single point of contact and the peace of mind of purchasing from a stable and reliable technology partner.

RECYCLING

Dell recommends that customers dispose of their used computer hardware, including monitors, in an environmentally sound manner. Potential methods include reuse of parts or whole products and recycling of product, components and/or materials. For more information, please visit http://dell.com/recycling_programs and www.dell.com/environment
