Solid warranty and exceptional service

Should your printer need service, Dell's standard 1-Year Limited Hardware Warranty[2] and 1-Year Next Business Day Advanced Exchange Service[3] can help get your Dell 1135n up and running again promptly. Let Dell set up and install your printer with Dell's optional installation services. Focus on your business while we take care of your printers.

Environmentally conscious design—reduce, recycle, renew

Dell's end-of-use programs include a commitment to recycling printers and toner cartridges. Help protect your bottom line while helping to protect the planet.

- According to the US Environmental Protection Agency, Energy Star-qualified products are up to 25% more power efficient on average than conventional models.[4] The Dell 1135n has been designed to help reduce the use of materials and hazardous materials. Dell printer users can return toner cartridges to Dell for recycling at no additional cost. Dell also helps customers dispose of old printers and other computer equipment in an environmentally conscious manner.
- Renew the planet through Dell's Plant-A-Tree program, which plants trees to help offset CO_2 emissions related to the usage of Dell products.
