

2009 – 2010 Grant Funding Update for State and Local Government

*Find a grant to fund
your SLG programs
and initiatives*

Grants strategy provided by:

The information in this report was provided by Grants Office, LLC, a grants consulting firm, based on its understanding of grants programs and funding guidelines available as of the date this report was generated. It represents Grants Office's interpretation of the programs and is not intended to replace official guidance provided by the funder. Changes to grant programs and deadlines are common and should be expected. Therefore, although every effort has been taken to ensure the accuracy of the information contained herein, we cannot guarantee that it will always be current, accurate, or complete. We strongly recommend you check the official guidance and your Grants Office UPstream™ Online Knowledge Base account frequently to keep up to date with changes and modifications to program information and to manage your grantseeking activities. If you already have an UPstream™ account, you may access it by visiting www.grantsoffice.com or subscribe at <http://upstream.grantsoffice.com//subscribe/subscribe.aspx>.

Project Lifesaver Inc.	Virginia	\$890,088

For more information on these grant programs, or other programs that may fund your needs or initiatives, please contact your Dell Representative for free grants support.

The Hearst Foundations / William Randolph Hearst Foundations

Authority: The Hearst Foundations / William Randolph Hearst Foundations

Summary: The Hearst Foundations support well-established nonprofit organizations that address important issues within our major areas of interests – education, health, culture, and social service – and that primarily serve large demographic and/or geographic constituencies. Within these areas, the Foundations generally provide endowment, program, and capital grant support. Private nonprofits with significant support from the philanthropic community are favored over those financed through government sources.

Eligibility: Current IRS documentation certifying that the applicant is tax-exempt under Section 501(c)(3) of the Internal Revenue Code and not a private foundation under Section 509(a) is necessary to be eligible. Grant funds must be used for charitable purposes exclusively within the United States and its territories.

Projected 2010 deadline: Rolling

Potential Dell Solutions: Mobile Computing, Continuous Availability, Health & Human Services, Interoperable Communications, Connected Classroom, Administrative Computing, Learning Management Systems, One-to-One Computing, Wireless Network Solutions, High Performance Comp. Cluster, Wireless Mobility

Total 2008 Dollars: \$ 74,595,591 (Dept. of Education)
