Service Description

Dell Premium Support Plus

Introduction

Dell is pleased to provide Dell Premium Support Plus (the “Service(s)” in accordance with this Service Description (“Service Description” or “Agreement”). Your invoice, receipt, order acknowledgment, Dell order form, or information page (as applicable, the “Order Documentation”) will include the name of the service(s) and available service options that you purchased.

Dell Premium Support Plus provides remote technical support for hardware and software issue resolution through both online support and trained phone support specialists for Dell-branded Supported Products, including International Support while you are traveling or if you relocate to a new country. Software issue resolution includes support for certain pre-installed software titles on Dell-branded products. Software issue resolution also includes commercially reasonable efforts to provide support for certain commonly available customer-installed and legally procured software titles such as internet browsers, operating systems, personal finance software, productivity applications, e-mail applications, movie/picture editing software, and gaming titles. In addition, software issue resolution includes “how to” advice, antivirus setup, assistance with printer/networking connection, parental controls set up, data backup set up, virus and malware removal and system maintenance and performance optimization.

All incidents that Dell determines to be within the scope of service set forth in this Service Description will be deemed “Qualified Incidents”. For hardware issues that are not solved remotely, then as part of the Service, Dell may offer you Onsite service to help resolve your issue(s). If Dell determines that a repair method other than Onsite service is required for an incident or if onsite service is not available for your product, then Dell may offer you other service options or provide service according to the service response options detailed in Exhibit A.

THIS SERVICE DESCRIPTION IS A CONTRACT BETWEEN YOU AND DELL. PLEASE TAKE THE TIME TO READ THE FOLLOWING TERMS AND CONDITIONS UNDER WHICH DELL MARKETING L.P (FOR CUSTOMERS IN THE U.S.), DELL CANADA INC. ALL HARDWARE REPAIR SERVICES ARE FOR PRODUCT ISSUES COVERED BY YOUR DELL LIMITED HARDWARE WARRANTY OR BASIC HARDWARE SERVICES AGREEMENT (see www.dell.com/warranty). FOR CUSTOMERS IN THE UNITED STATES AND CANADA: THIS SERVICE DESCRIPTION REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS. FOR ALL OTHER CUSTOMERS: THE DISPUTE RESOLUTION TERMS THAT APPLY TO YOU ARE SET OUT IN YOUR TERMS OF SALE.

FOR COUNTRIES WHERE DELL DOES NOT SELL DIRECTLY TO END USERS, THESE CONTRACT TERMS MAY VARY DEPENDING UPON THE SELLER’S TERMS.

This Service Description is subject to Dell’s Terms of Sale when product has been purchased from Dell directly. For all commercial customers, this Service Description is subject to Dell’s Commercial Terms of Sale.

Dell’s commercial warranties do not affect any applicable statutory warranties or other rights for consumers.

Please note that supported third-party products may change at any time without notice to Customers.

Limits on Dell Comprehensive Software Support. Dell does not warrant that any particular software-related question will be resolved or that the covered software product will produce any particular result. Situations giving rise to Customer’s questions must be reproducible on a single system (i.e., one central processing unit with its workstation and other peripherals). Dell may conclude that a software issue is sufficiently complex or that Customer’s Supported Product is of a nature that precludes effective analysis of the question through remote support. Customer understands and accepts that resolutions of certain issues giving rise to Customer’s service request may not be available from the publisher of the relevant software title. Customer accepts that in such situations where no resolution is available from the publisher of the relevant software title, Dell's obligation to provide support to the Customer will be fully satisfied.

**Collaborative Assistance:**

If a problem arises with certain software pre-installed by Dell on your Dell-branded Supported Product, Dell will serve as a single point of contact, as set forth herein, until the problems are isolated and escalated to the third-party product vendor. Specifically, Dell will contact the third-party vendor and create a “problem incident” or “trouble ticket” on behalf of Customer, providing the necessary problem documentation. Once a vendor is engaged, Dell will monitor the problem...
resolution process and obtain status and resolution plans from the vendor until the vendor resolves the problem by either providing a resolution, steps towards a resolution, workaround, configuration changes, or escalation of a bug report. Upon the Customer’s request, Dell will initiate management escalation procedures within Dell and/or the vendor organization.

To be eligible for Collaborative Assistance, the customer must have the appropriate active support agreements and entitlement with the respective third-party vendor. Once isolated and reported, the third-party vendor provides technical support and resolution for Customer’s problem. DELL WILL NOT BE RESPONSIBLE FOR THE PERFORMANCE OF OTHER VENDORS’ PRODUCTS OR SERVICES.

Please note that supported third-party products may change at any time without notice to Customers. Or view current Collaborative Assistance partners at www.dell.com/collaborative. Please note that supported third-party products may change at any time without notice to Customers.

How to contact Dell if you require service

Remote online or phone-based support is a key part of this Service, and remote diagnosis or troubleshooting under your Dell Limited Hardware Warranty or Basic Hardware Services (see www.dell.com/warranty) is required prior to receiving Service.

Step One: Use one of the support options to contact Dell for assistance

Contact Dell from a location which includes physical access to the Supported Product. If you contact Dell using a device other than the Supported Product device such as a telephone or another computer, then you must still ensure that you have physical access to the Supported Product. You will help us serve you better if you have the following information and materials ready when you contact us: your Product's invoice and serial numbers; service tag number; model and model numbers; mobile device, phone, or SIM card number; the current version of the operating system you are using; and the brand names and models of any peripheral devices (such as a modem) you are using. In some instances, Dell may give you the option to scan a quick read (QR) code to help expedite service. You must have access to a device, such as a smartphone, equipped with a QR Code reader in order to use this service method.

Provide any other information as requested by Dell. We will verify Customer's Supported Product, applicable Service and response levels and confirm any expiration of Services.

**Step Two: Assist with online or telephone-based troubleshooting**

- When requested, identify error messages received and when they occur; what activities preceded the error message; and what steps you have already taken to attempt to solve the problem.
- We will work with you through a series of troubleshooting steps to help diagnose the issue.
- Experience shows that most Product problems and errors can be corrected remotely.
- Follow the instructions and any suggestions carefully. Diagnostic or troubleshooting steps like those outlined in Steps One and Two are an essential aspect of reaching the right resolution for your issue. Those steps may require more than one interaction or call with Dell or an extended session, and you may be asked to access the inside of your Supported Product where safe to do so.
- If your Supported Product's issue is covered by Dell's Limited Hardware Warranty or Basic Hardware Services agreement and if, following completion of diagnosis or troubleshooting, Dell determines that onsite dispatch of a service technician or return for repair service is necessary, we will provide additional instructions.

**International Support**

Dell provides Premium Support Plus options on your Supported Product if you are travelling temporarily or if you relocate permanently to a different country. Certain service and support features may not be available and are subject to the terms of the Geographic Limitations & Restrictions sections below and the following conditions:

- verification of service entitlement,
- support is provided in the language(s) used by Dell for providing support to customers in the new country,
- the local availability of local labor and parts (in particular, some parts, such as foreign language keyboards or ac adapters, may not be available),
- the local ability to support software not in local language, or not designed for local market, and
- you must transfer the service tag on the Dell product to the local country if relocating to a different country.

**Onsite Service:**

If, after remote diagnosis and troubleshooting, Dell determines Onsite Service is appropriate for your Supported Product’s repair issue, then such service is available for your Supported Product within the country in which you purchased the Supported Product from Dell or a Dell Authorized Reseller. Please tell the technician the full address of your Supported Product’s location. Both the performance of service and service response times depend upon the time of day your call or inquiry is received by Dell, the service alternative you purchased, parts availability, geographical restrictions, weather conditions and the terms of this Agreement. If you follow the procedures detailed in this Agreement and if your issue is subject to dispatch under this Agreement, then a service technician will be dispatched, usually in 1 or 2 business days following completion of remote diagnosis for large metropolitan areas and as soon as possible on a commercially reasonable effort basis for more remote geographical regions, to arrive at your location during 9:00 a.m. to 6:00 p.m. local time, Monday through Friday excluding regularly observed holidays. If the service technician is dispatched for service after 5:00 p.m., then the service technician may take an additional business day to arrive at your location.

- **An Adult Must Be Present.** For service provided onsite, an adult must be present at all times during the service
technician’s visit.

- **Assistance You Must Provide.** The service technician must receive full access to the System and (at no cost to the technician) have working space, electricity, and a local telephone line. A monitor or display, a mouse (or pointing device), and a keyboard must also be provided (at no cost to Dell), if the system does not already include these items. If these requirements are lacking, the technician is not obligated to provide service.

- **If You Miss The Service Visit.** If you or your authorized representative is not at the location when the service technician arrives, we regret that the service technician cannot service your System. If this occurs, you may be charged an additional charge for a follow-up service call.

In some countries, the Onsite service may be delivered by your seller or a third party contractor acting on behalf of Dell.

**Accidental Damage or CompleteCare (in Latin America)**

NOTE: These Accidental Damage/CompleteCare terms and conditions are NOT applicable to customers in Australia, Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, Netherlands, New Zealand, Norway, Poland, Portugal, Slovakia, South Africa, Spain, Sweden, Switzerland, and the United Kingdom.

Customers in Europe, the Middle East, and Asia (EMEA) can view their separate Accidental Damage Protection or Accidental Damage Theft Protection Cover Conditions terms, which will describe the terms and conditions applicable to the Accidental Damage feature of the Customer’s purchase of Premium Support Plus at: www.Dell.com/servicecontracts.

Customers in Australia and New Zealand can access their Dell Accidental Damage Protection Insurance or Dell Accidental Damage with Theft Insurance Combined Financial Services Guide and Product Disclosure Statement which will describe the terms and conditions applicable to the Accidental Damage feature of the Customer’s purchase of Premium Support Plus at: www.Dell.com/servicecontracts.

During the term of this Agreement and subject to the limitations in this Agreement, we will repair or replace the Supported Product as necessary to correct any damage to the Supported Product which occurs during the usual and customary usage of the Supported Product and is caused by either accidental damage from handling (including drops and spills) or an electrical surge (for purposes of this Accidental Damage/CompleteCare section, the “Service”).

Only parts built in or on the base unit of the Supported Product, including parts or accessories that are required for regular operation of the base unit and shipped at point of sale, such as internal memory, built-in LCD, internal components/switches, built-in buttons, drawers, lids or panels, remote controls, or cables are covered.

When the Service is purchased for a desktop system, both the desktop and the monitor purchased with the desktop will be covered under the service contract. The Service does not cover externally-attached computers, peripherals, including, but not limited to printers, or other devices that may work in conjunction with the Supported Product, and this Service does not cover components, cases, television or monitor wall mounts, wiring, or items classified as “accessories” or “consumables” and not built in or on the base unit of the Supported Product, such as batteries that are out of warranty, light bulbs, disposable/replaceable print/ink cartridges, print or photo paper, memory disks, memory cards, SIM cards, disposable memory devices, wire connections, carrying cases, stylus pens, docking stations, external modems, external speakers, game devices, game disks, secondary monitors, external mouse for notebooks, external keyboard for notebooks, or other input/output devices, any other components not internal to the Supported Product for which you purchased Service, or other parts/components requiring regular user maintenance.

If we repair your Supported Product, you understand and agree that we may replace original parts with new or used parts from the original manufacturer, or a different one. Replacement parts will be functionally equivalent to the original parts. In our discretion, we may designate an affiliated company or contract with a third party to complete repairs on the Supported Product.
If we decide that it is necessary to replace the Supported Product rather than repair it, you will receive a Supported Product equivalent to or better than the Supported Product you originally purchased from us, as determined by us in our sole and reasonable discretion.

For any incident that Dell determines is eligible for Service under this Agreement (a “Qualified Incident”), Service coverage is limited to one Qualified Incident per Supported Product per 12 month period commencing from the start date of the term of Service. The ability to submit an incident does not accumulate or carry over to any subsequent 12 month period. However, each Qualified Incident will be applied to the 12 month period during which it is reported, even if such incident is resolved during a subsequent period. Once the Qualified Incident limit is reached, Dell may offer to repair Customer’s product for an additional charge.

This is not a contract of insurance. Please read this Agreement carefully.

Service Response Level. When you request Service, you must allow Dell to evaluate the Supported Product to determine whether the product qualifies for Service. Dell’s technical support agent will inform you of the options available to you to ship your Supported Product to Dell for evaluation and repair. So long as you follow our directions, as specified in the “Cooperate with Technician” section below, Dell will pay all shipping charges for return of the Supported Product to Dell’s service facility. In some instances, Dell may make other evaluation and repair methods available to you as part of the Service.

Hardware Only. Accidental Damage/CompleteCare support is for hardware only, and that support does not cover software. This software exclusion includes but is not limited to: 1) any defects in or damage, including without limitation virus-inflicted damage (unless such damage is within the scope of the virus support included with Premium Support Plus), to software preloaded on, purchased with or otherwise loaded on the Supported Product and 2) any software loaded through Custom Factory Integration. In addition, this Service does not cover any other items added through Custom Factory Integration. We will exercise reasonable efforts to, but this Agreement does not guarantee that we will, repair or replace non-software Custom Factory Integration items that may otherwise be excluded components.

Service Limitations. This Agreement does not cover and we are not obligated to repair or replace:

- Any damage to or defect in the Supported Product that is cosmetic. Under this Agreement, we are not obligated to repair wear and tear on the Supported Product and other superficial items, such as scratches and dents that do not materially impair your use of the Supported Product.

- Any Supported Product that anyone other than Dell or a person we designate has tried to repair. We will not reimburse you for any repairs that you or another person make or attempt to make to the Supported Product.

- Any Supported Product that suffers damage in connection with or as a result of incorrect or inadequate Customer Installation. “Customer Installation” shall include any of the following performed by the Customer or any third party on behalf of the customer: (1) unpacking or moving the Supported Product (2) installation or mounting of a Supported Product to a wall or other structure (or removal of the same following installation) and (3) affixing of brackets or other weight bearing devices designed for mounting or attachment to a wall or other structure (or removal of the same). Customer Installation does not include installation services purchased from Dell.

- Any Supported Product that is lost or stolen. To receive repair or replacement of a Supported Product, you must return the damaged Supported Product to us in its entirety.

- Any Supported Product that is damaged by fire from an external source or that is intentionally damaged or damaged by misuse, abuse, failure to follow instructions provided with the Supported Product, or use of the Supported Product in an incorrect environment. If we find evidence of intentional damage, misuse, abuse, failure to follow instructions provided with the Supported Product, or use of the Supported Product in an incorrect environment, we are not obligated to repair or replace the Supported Product.

- Any recovery or transfer of data stored on the Supported Product. You are solely responsible for all data stored on
the Supported Product, and it is your responsibility to complete a backup of all existing data, software, and programs on affected products before receiving services (including telephone support) or shipping products back to Dell. In addition, you are responsible for removing any confidential, proprietary, or personal information and any removable media such as SIM cards, memory cards, CDs, or PC cards. We do not provide you any data recovery services under this Agreement. However, if Dell determines that replacement of a storage device or hard drive is necessary, we will reload, at no charge to you, the then-current version of major application and operating system software you originally purchased from us, including any installed Custom Factory Integration applications. We do not, however, represent or warrant and this Agreement does not obligate us to ensure that any installed Custom Factory Integration applications will be compatible with the replacement Supported Product.

- Preventive maintenance. It is not necessary that you perform any preventive maintenance on the Supported Product to obtain repair or replacement of a Supported Product covered by these Accidental Damage/CompleteCare support terms.

- Except as specifically provided herein, any other damages that do not arise from defects in materials or workmanship or ordinary and customary usage of the covered Supported Product.

- Any damages arising from acts of God such as, but not limited to, lightning, flooding, tornado, earthquakes, and hurricanes.

**Additional Limitations for Service Purchased After the Purchase of the Supported Product.** Where allowed by law, this Service may also be available for purchase after the date that Customer purchased a product. In those instances, the following conditions and limitations apply:

- **Requests for Service for the Supported Product cannot be presented until 30 days after the Service’s purchase date, as indicated on Customer’s invoice, information page or other order confirmation; provided however, that the 30-day waiting period will not apply to Customers who extend their service period prior to the expiration of the preceding service term.**

- Customer is responsible for ensuring that the Supported Product is in normal operating condition at the time Service is purchased. Under no circumstances will Dell be responsible for Service for any damage or defect that existed prior to the Customer’s purchase of Service.

- Dell reserves the right to inspect the Supported Product to confirm that it is in normal operating condition. Dell may, for an additional charge, offer Customer repair options to return the underlying product to normal operating condition.

- If, upon inspection, Dell determines that the damage or defect for the Supported Product existed before the Service was purchased, then the request for Service will be denied.

**Geographic Limitations & Relocation.** The Accidental Damage/CompleteCare support will be delivered to the site(s) indicated on the Customer’s invoice, or other order confirmation. If you need International Support for Accidental Damage/CompleteCare for any Supported Product located outside of the country or site(s) indicated on Customer’s invoice or other order confirmation, then Service options, including service levels, technical support hours and response times will vary by geography and certain options may not be available in Customer’s location. Dell’s obligation to provide Service for a relocated Supported Product is subject to local Service availability and may be subject to additional fees as well as inspection and recertification of the relocated Supported Product at Dell’s then current time and materials consulting rates. Support outside of the country in which Customer purchased this Service may be available on a commercially reasonable efforts basis (e.g., not available in all countries, not available on all parts, not available to all Customers). In addition, out of country support will not include any whole unit replacements. Please contact a Dell technical support analyst for additional details. Customer will provide Dell with sufficient and safe access to Customer’s facilities at no cost to Dell for Dell to fulfill Dell’s obligations.
General Customer Responsibilities

**Authority to Grant Access.** Customer represents and warrants that it has obtained permission for both Customer and Dell to access and use the Supported Products, the data located thereon and all hardware and software components included therein, for the purpose of providing these Services. If Customer does not already have that permission, it is Customer’s responsibility to obtain it, at Customer’s expense, before Customer asks Dell to perform these Services.

**Cooperate with Online Support Diagnosis, Phone Analyst, and Onsite Technician.** Customer will cooperate with and follow the instructions given by any Dell remote support service, phone analyst, or onsite technicians. Experience shows that most system problems and errors can be corrected remotely by closely following the remote diagnosis instructions or through close cooperation between the user and the analyst or technician.

**Maintain Software and Serviced Releases.** Customer will maintain software and Supported Products at Dell-specified minimum release levels or configurations as specified on [www.dell.com/support](http://www.dell.com/support). Customer must also ensure installation of remedial replacement parts, patches, software updates or subsequent releases as directed by Dell in order to keep the Supported Products eligible for this Service.

**Data Backup; Removing Confidential Data.** Customer will complete a backup of all existing data, software and programs on all affected systems prior to and during the delivery of this Service. Customer should make regular backup copies of the data stored on all affected systems as a precaution against possible failures, alterations, or loss of data. In addition, Customer is responsible for removing any confidential, proprietary, or personal information and any removable media such as SIM cards, CDs, or PC Cards regardless of whether an onsite technician is also providing assistance.

Except to the extent this cannot be deviated from under mandatory applicable law, DELL WILL HAVE NO LIABILITY FOR:

- ANY OF YOUR CONFIDENTIAL, PROPRIETARY OR PERSONAL INFORMATION;
- LOST OR CORRUPTED DATA, PROGRAMS OR SOFTWARE;
- DAMAGED OR LOST REMOVABLE MEDIA;
- DATA OR VOICE CHARGES INCURRED AS A RESULT OF FAILING TO REMOVE ALL SIM CARDS OR OTHER REMOVABLE MEDIA INSIDE SUPPORTED PRODUCTS THAT ARE RETURNED TO DELL;
- THE LOSS OF USE OF A SYSTEM OR NETWORK; AND/OR
- ANY ACTS OR OMISSIONS, INCLUDING NEGLIGENCE, BY DELL OR A THIRD-PARTY SERVICE PROVIDER.

Dell will not be responsible for the restoration or reinstallation of any programs or data. When returning a Supported Product or part thereof, Customer will only include the Supported Product or part which has been requested by Dell.

**Antivirus Set up.** Prior to receiving antivirus software setting assistance, the Customer must have an active antivirus subscription service.

**Spyware/Virus Remediation.** Automated virus removal powered by SupportAssist may also require assistance from Customer, remote support from Dell, or both. Customer acknowledges that alteration or remediation of some spyware and virus programs may impair the performance of certain programs. In addition, altering or removing such programs may be restricted by certain software licenses. It is Customer’s responsibility to examine such licenses and to ensure that the procedures performed as part of these Services will not affect these licenses, or, if they do, that the effect on such licenses or system performance is acceptable to Customer. Customer further acknowledges that these Services cannot guarantee that additional spyware and viruses will not return to or appear on a Customer’s system after Services have been rendered. Given the increasing complexity of anti-malware/virus remediation activities, and the variety of problems that can arise as a result of the introduction of malicious code, Customer acknowledges that Dell’s performance of this Service does not provide any guarantee that there will be no malware present after the Service has been performed. Dell expects its customers to employ protective software, such as anti-virus/antimalware software and firewalls, to protect a customer’s own network and systems against unauthorized access and the automated spread of malicious software.

**Third Party Warranties.** These Services may require Dell to access hardware or software that is not manufactured by Dell. Some manufacturers’ warranties may become void if Dell or anyone else other than the manufacturer works
on the hardware or software. Customer will ensure that Dell’s performance of Services will not affect such warranties or, if it does, that the effect will be acceptable to Customer. Dell does not take responsibility for third party warranties or for any effect that the Services may have on those warranties.

Terms and Conditions. This service description is subject to Dell’s Terms of Sale when product has been purchased from Dell directly. Nothing set out in this Service Description affects or reduces the statutory rights and remedies under applicable consumer protection laws that, by law, may not be altered or reduced.

All Customers:

Prior to the expiration of your service contract and subject to the limitations set forth in this Service Description, you may be able to extend your service period based on available options then in effect for your Supported Product; provided however, that the duration of your service contract shall not extend beyond the duration of the Limited Hardware Warranty or Basic Hardware Services agreement (including any extensions). Customer further agrees that by renewing, modifying, extending or continuing to utilize the Service beyond the initial term, the Service will be subject to the then-current Service Description available for review at [www.dell.com/servicecontracts](http://www.dell.com/servicecontracts).

To the extent that any terms of this Service Description conflict with any terms of the Agreement, the terms of this Service Description will prevail, but only to the extent of the specific conflict, and will not be read or deemed to replace any other terms in the Agreement which are not specifically contradicted by this Service Description.

By placing your order for the Services, receiving delivery of the Services, utilizing the Services or associated software or by clicking/checking the “I Agree” button or box or similar on the Dell.com website in connection with your purchase or within a Dell software or Internet interface, you agree to be bound by this Service Description and the agreements incorporated by reference herein. If you are entering this Service Description on behalf of a company or other legal entity, you represent that you have authority to bind such entity to this Service Description, in which case “you” or “Customer” shall refer to such entity. In addition to receiving this Service Description, Customers in certain countries may also be required to execute a form of signed Order Documentation.

Additional Terms & Conditions Applicable to Support & Warranty-Related Services

1. Supported Products
This Service is available on supported products which include select Dell Venue™, Inspiron™, XPS, and Alienware branded products which are purchased in a standard configuration ("Supported Products"). The specific Product covered under this Agreement is described on your invoice or the information page included with your copy of this Agreement. Supported Products are added regularly, so please contact a sales representative or www.dell.com for the most up-to-date list of Services that are available on your products. Each Supported Product is tagged with a serial number (the "Service Tag"). A separate service agreement must be purchased by Customer for each Supported Product. Please refer to the Service Tag on your Supported Product when contacting Dell for this Service.

2. Term of Service
This Agreement commences on the date you place your order and continues through the Term of Service. The “Term of Service” begins on the invoice date and extends for the term indicated on the Customer’s invoice. For countries where Dell does not sell directly to end customers, the Agreement commences at the time of first purchase and lasts for a period as stated by Dell in supporting documents (e.g. Dell invoice) and Dell website. Unless otherwise agreed in writing between Dell and the Customer, purchases of Services under this Agreement shall be solely for Customer’s own internal use and not for resale or service bureau purposes.

3. Parts and Product Ownership
All Dell parts or components removed from the Supported Product and any original products for which customer received a replacement product become the property of Dell. If Dell delivers a replacement part, component, or product to Customer, Customer must relinquish the item to Dell, unless Customer has purchased “Keep Your Hard Drive” for the affected product, in which case Customer may retain the respective hard drive(s). If Customer does not relinquish the item to Dell as required above, or if the unit is not returned within ten (10) days in accordance with written instructions provided with the replacement unit (in the event the replacement unit was not delivered in person by a Dell technician), Customer agrees to pay Dell for the replacement unit upon receipt of invoice. IF YOU FAIL TO PAY DELL FOR ANY PART, COMPONENT, OR PRODUCT, THEN DELL MAY CANCEL THIS AGREEMENT, SUSPEND YOUR WARRANTY AND/OR SERVICE SUPPORT ON ANY DELL PRODUCT YOU MAY OWN UNTIL THE APPLICABLE AMOUNT IS PAID, AND/OR TAKE OTHER LEGAL STEPS. A suspension of warranty or service for failure to properly return a part, component, or product will not toll the term of your warranty or service contract.

4. Parts
Dell uses and Customer expressly authorizes the use of new and reconditioned parts and products made by various manufacturers in performing repairs and replacing products.

5. Advanced Exchange Terms for All Service Levels
Dell may offer to provide a replacement part or product ("Replacement Item") to you on an Advanced Exchange basis, regardless of the original level of service purchased by you. Before providing an Advanced Exchange, Dell may require a valid credit card number and credit authorization or payment for the Replacement Item from you prior to sending you such Replacement Item. We will not charge your credit card for the Replacement Item, or we will refund your payment for such Replacement Item as long as: 1) you return the original part or product to us within 10 days of your receipt of the Replacement Item and 2) we confirm that your product issue is covered under the Dell Limited Hardware Warranty or Basic Hardware Services agreement. If we do not receive your original part or product within 10 days, we will charge your credit card for the then-current standard price for the Replacement Item, or, if payment was required in advance of shipment, will not refund your payment. If upon receipt of your original part or product, we determine that your product issue is not covered under the Dell Limited Hardware Warranty or Basic Hardware Services agreement, then you will be given the opportunity to return the Replacement Item, at your sole expense, within ten (10) days from the date we contact you regarding the lack of coverage for your issue, and if you do not return the Replacement Item, then we will charge your credit card for the then-current standard price for the Replacement Item, or, if payment was required in advance of shipment, we will not refund your payment. If you require a Replacement Item but do not wish to provide credit authorization or payment pursuant to this paragraph, you will not receive an Advanced Exchange.

6. Important Additional Information

No Warranties. CUSTOMER ACKNOWLEDGES AND AGREES THAT GIVEN THE NATURE OF THE SERVICE, THESE SERVICES ARE PROVIDED “AS IS” AND DELL MAKES NO WARRANTIES REGARDING THE SERVICE OR THE RESULTS OF THE SERVICE, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY
IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. DELL EXPRESS DISCLAIMS ALL WARRANTIES AS TO THE SERVICES PROVIDED HEREUNDER.

Limitation of Liability. TO THE EXTENT ALLOWED BY LOCAL LAW, CUSTOMER’S SOLE AND EXCLUSIVE REMEDY AND DELL’S ENTIRE, COLLECTIVE LIABILITY IN CONTRACT, TORT, OR OTHERWISE, UNDER THIS SERVICE DESCRIPTION IS A PRO-RATED REFUND OF THE AMOUNTS PAID TO DELL FOR THE SERVICE THAT IS THE BASIS OF THE CLAIM. UNDER NO CIRCUMSTANCES WILL DELL BE LIABLE TO YOU OR ANY OTHER PERSON FOR ANY DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, EXPENSES, COST, PROFITS, LOST SAVINGS OR EARNINGS, LOST OR CORRUPTED DATA, OR OTHER LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR OUT OF THE INSTALLATION, DEINSTALLATION, USE OF, OR INABILITY TO USE THE SYSTEM, OR OUT OF THE USE OF ANY SERVICE MATERIALS PROVIDED HEREUNDER.

THIS AGREEMENT GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF (i) INCIDENTAL OR CONSEQUENTIAL DAMAGES OR (ii) IMPLIED WARRANTIES, SO THE ABOVE EXCLUSIONS MAY NOT APPLY.

Binding Arbitration. THIS AGREEMENT REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE ANY AND ALL DISPUTES OR CONTROVERSIES BETWEEN CUSTOMER AND DELL, RATHER THAN JURY TRIALS OR CLASS ACTIONS, ACCORDING TO THE TERMS IN DELL’S U.S. TERMS OF SALE (see www.dell.com/terms). Neither Dell nor you may institute any action in any form arising out of this Service Description more than eighteen (18) months after the cause of action has arisen, or in the case of nonpayment, more than eighteen (18) months from the date of last payment.

Governing Law. THIS AGREEMENT SHALL, TO THE EXTENT PERMITTED BY APPLICABLE LAW, BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO CONFLICTS OF LAWS RULES. DIFFERENT GOVERNING LAW PROVISIONS MAY APPLY TO YOU AS SET FORTH IN EXHIBIT B.

Severability. If any provision of this Service Description is void or unenforceable, the parties agree to delete it and agree that the remaining provisions will continue to be in effect.

Commercially reasonable limits to scope of service. Dell may refuse to provide Services if, in its opinion, providing the Services creates an unreasonable risk to Dell or Dell’s Service providers or is beyond the scope of Services. Dell is not liable for any failure or delay in performance due to any cause beyond its control. Service extends only to uses for which the Supported Dell Product was designed. Customer acknowledges that Dell may not be able solve Customer’s particular problem.

Optional services. Optional services (including point-of-need support, installation, consulting, managed, and professional, support or training services) may be available for purchase from Dell and will vary by Customer location. Optional services may require a separate agreement with Dell. In the absence of such agreement, optional services are provided pursuant to the terms and conditions of this Service Description.

Assignment. Dell may assign this Service and/or Service Description to qualified third party service providers.

Complete Agreement. THIS SERVICE DESCRIPTION IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN YOU AND DELL AND IT SUPERSEDES ALL PRIOR ORAL AND WRITTEN PROPOSALS AND COMMUNICATIONS PERTAINING TO THE SUBJECT MATTER HEREOF.

Cancellation. If you purchased this service from a seller other than Dell, please see your sales receipt or other sales documentation for return policy, and please visit your original place of purchase for returns, cancellations, or refunds. FOR CUSTOMERS WHO PURCHASED FROM DELL, YOU MAY CANCEL THIS AGREEMENT BY PROVIDING TO DELL AT LEAST THIRTY (30) DAYS WRITTEN NOTICE OF THE DECISION TO CANCEL. DELL WILL ISSUE A REFUND TO YOU FOR ANY UNUSED PORTION OF THE SERVICE TERM FOR WHICH YOU HAVE PAID. IF MORE THAN THIRTY (30) DAYS HAVE TRANSPired FOR THE CURRENT CONTRACT YEAR, THEN A REFUND WILL NOT BE PAID FOR THAT CURRENT CONTRACT YEAR. THE BASE LIMITED HARDWARE WARRANTY OR BASIC HARDWARE SERVICES AGREEMENT, AS APPLICABLE, MAY NOT BE CANCELLED. CANCELLATION OF EXTENDED WARRANTIES OR ADDITIONAL SERVICES AT ANY TIME AFTER THE ORDER IS PLACED MAY REDUCE ANY APPLICABLE DISCOUNT AND MAY REQUIRE RETURN OF THE COMPLETE PRODUCT.

If you are a consumer, the Cancellation clause above does not affect any applicable statutory warranties or rights for consumers.
Dell may cancel this Service at any time during the Service term for any of the following reasons:

- Customer fails to pay the total price for this Service in accordance with the invoice terms;
- Customer refuses to cooperate with the assisting analyst;
- Customer fails to abide by all of the terms and conditions set forth in this Service Description;
- If you threaten the technician either verbally or physically;
- If your location or the general area where the product is located is infested with insects, rodents, pests, biohazards, human or animal excrement and/or chemicals as reasonably determined to be unsafe by the technician; or
- Customer repeatedly misuses this Service for out of scope issues or otherwise violates the terms of Dell’s fair use policy as provided herein.

If Dell cancels this Service for any of the above reasons, Dell will send Customer written notice of cancellation at the address indicated on Customer’s invoice. The notice will include the reason for cancellation and the effective date of cancellation, which will be not less than ten (10) days from the date Dell sends notice of cancellation to Customer, unless local law requires other cancellation provisions that may not be varied by agreement. If Dell cancels this Service for any of the above reasons, Customer shall not be entitled to any refund of fees paid or due to Dell. Additionally, Dell may, at its discretion, terminate the Services on thirty (30) days’ notice to Customer, in which case Customer will be entitled to a pro-rated refund of any unearned fees for Services that Customer paid.

**Geographic Limitations & Relocation.** This Service will be delivered to the site(s) indicated on the Customer’s invoice. This Service is not available in all areas. In situations when relocation occurs to a destination country where the Service is already available, Dell will use commercially reasonable efforts to honor the Service obligation, per the terms of Service in the destination country. In situations where relocation occurs to a country where the Service is unavailable, the Service does not transfer. Service options, including service levels and technical support hours will vary by geography and certain options may not be available for purchase in Customer’s location. Dell’s obligation to supply the Services to relocated Supported Dell Products is subject to local service availability and may be subject to additional fees.

**Transfer of service.** Subject to the limitations set forth in this Service Description, Customer may transfer this Service to a third party who purchases Customer’s entire Supported Dell Product before the expiration of the then-current service term, provided Customer is the original purchaser of the Supported Dell Product and this Service, or Customer purchased the Supported Dell Product and this Service from its original owner (or a previous transferee) and complied with all the transfer procedures available at [www.dell.com/support](http://www.dell.com/support) (for the US and Canada) and [www.dell.com/support/global](http://www.dell.com/support/global) (for all other countries). A transfer fee may apply. Please note that if Customer or Customer’s transferee moves the Supported Dell Product to a geographic location in which this Service is not available (or is not available at the same price) as Customer paid for this Service, Customer may not have coverage or may incur an additional charge to maintain the same categories of support coverage at the new location. If Customer chooses not to pay such additional charges, Customer’s Service may be automatically changed to categories of support which are available at such price or a lesser price in such new location with no refund available.

**Fair Use Policy.** The use of these Services is subject to Dell’s fair use policy. Dell’s fair use policy provides that if at any time a user is found to be abusing the Services by exceeding the level of reasonably expected use, then Dell reserves the right to suspend or cancel these Services. In addition, to the extent allowed by local law, Dell reserves the right to suspend or cancel any Services that Dell, in its sole discretion, determines are being used (a) fraudulently, (b) by any person other than the eligible customer or his or her permitted transferee hereunder, or (c) for any computer system other than a Supported Dell Product.

**Recording Calls.** In carrying out its obligations and to the extent allowed by local law, Dell, or its third party subcontractors, may at its discretion and solely for the purposes of monitoring the quality of Dell’s response, record part or all of the calls between you and Dell. By utilizing these Services, you consent to have your calls with Dell or its third-party subcontractors monitored or recorded.
Exhibit A
Other Service Response Options

If, after remote diagnosis and troubleshooting, Dell determines that a repair method other than Onsite Service After Remote Diagnosis is required for an incident, then one of the following service response options in the table below may be selected by the technician depending on the applicable country/region. Dell may also make other service options available to the customer at the time customer places a request for service.

If non-Dell options added to Customer’s Supported Product are found to be the cause of the reported problem, a service charge may be applied and repair and return times may be delayed. Dell reserves the right to send Customer a whole replacement for the Supported Product or a replacement for portions of the Supported Product rather than repairing and returning the Supported Product that Customer sent for repair.

The Customer has the obligation to send back exchanged parts if requested by Dell. Customer is obligated to pay at the then-current standard Dell price for any parts removed from Customer’s Supported Product and not properly returned to Dell by Customer. Failure to timely pay for parts not properly returned to Dell by Customer may result in suspension of Customer’s service under this Agreement in accordance with Section 3 of the Additional Terms and Conditions Applicable to Support & Warranty-Related Services section of this Agreement. In the event that customer’s Supported Product is located in an area not currently serviced by a major common carrier or with limited service by one or more major common carriers, Dell’s normal repair service will be delayed.

Customer should not send manuals, confidential, proprietary or personal information, or removable media such as floppy disks, external hard drives, DVDs, PC Cards, etc. Dell is not responsible for lost or corrupted data, damaged or lost media, or Customer’s confidential, proprietary or personal information.

If you cancel this Agreement within 30 days of receipt of this Agreement, you will receive a full refund if no claims have been made against the contract. If any claim has been made against the contract, then you will receive a pro-rata refund based on the retail value of any service performed. If you cancel this Agreement after thirty (30) days of your receipt of this Agreement, you are entitled to a pro-rata refund as follows: Refund = The Total Price minus (a) the number of days from the date you receive the covered hardware until we receive notice of your cancellation divided by the term of this Agreement; (b) 0.1 multiplied by the Total Price; and (c) the cost of any repair or replacement provided to you before cancellation.

In the event the contract is canceled by Dell, the refund shall be based upon 100 percent of the unearned pro-rata purchase price. Arbitration of any and all claims and disputes arising solely out of the terms and conditions of this Agreement is non-binding unless the parties agree in writing at the time a claim is asserted or a demand for arbitration is made that both parties want the arbitration to be binding. No fees for service transfer or downgrading due to geographic limitations apply. If service downgrades are required as a result of transferring the hardware to a new location, then you may cancel this Agreement and receive a pro-rata refund as set forth immediately above. Dell Marketing L.P. is a licensed service warranty association in Florida, and it is the issuer of this Agreement.

The right to void this Agreement as provided in this subsection is not transferable and shall apply only to the original purchaser of the Agreement, and only if no claim has been made prior to the return of the Agreement to Dell. If you cancel this Agreement pursuant to the procedures for cancellation set forth in this Agreement and we fail to refund the purchase price of this Agreement to you within forty-five (45) days after your cancellation, we are obligated to pay you a penalty of 10% per month of the amount of the refund due and owing to you.
