### Instant Security
The Intel® Unite™ solution uses data encryption and a rotating 6-digit PIN for secured meeting content and admittance.

### Quick Meeting Starts
Intel staff cut the average time it took to set up a meeting from 7.5 minutes to 2 minutes simply by using the Intel Unite app.¹

### Instantly Add or Switch Presenters
Change presenters with the press of a button and view up to 4 screens at once, side-by-side.

### Smart and Immediate Collaboration
Use annotation capabilities with your touch screen or mouse to highlight great ideas and make suggestions directly on other people’s screens.

### Easy Setup
Connect the Intel Core™ vPro™ processor-based Dell OptiPlex Micro PC running the Intel Unite app to your conference-room display.

### 0 Downtime
Manage the mini PCs remotely and spend less time troubleshooting meeting and display issues for users.
