

Deploy hybrid cloud in a flexible, cost-effective way.

With Cloud Flex Pay from Dell Financial Services, you can evaluate Dell Hybrid Cloud System for Microsoft and either continue to use the solution to meet your business needs or simply return it.**

Customers are investing in hybrid cloud solutions as a way to control IT costs, gain flexibility and agility and deliver new services. Nine out of 10 IT decision makers worldwide say that a cloud strategy is important to achieving a Future Ready enterprise¹. Cloud Flex Pay allows you to experience the benefits of a hybrid cloud solution without a long term commitment.

Here's how it works

- 1 Leverage Cloud Flex Pay to evaluate Dell Hybrid Cloud System for Microsoft for an initial term of six months.
- 2 Several options are available at the end of the initial commitment:

Extend the evaluation period.

Pay a reduced fee for another six months and choose to keep or return the technology at the end of 12 months. Should you decide to keep the cloud solution after 12 months, you will continue to pay monthly and can return it at any time.

Continue to use your hybrid cloud solution for an extended period of time.

We can create a customized payment plan to fit your current and future business needs.

Return your cloud solution.

Send the technology back to us with no further obligation. We'll work with you to find a different solution that addresses your business needs

Take ownership of your hybrid cloud.

You've determined that a Dell cloud solution is the right technology to meet your business needs and would like to use it on an ongoing basis. This option allows you to purchase it outright.
