The Dell Precision 15 5000 Series is a fully customizable, beautifully designed, thin and light 15” mobile workstation with a vibrant UltraSharp™ PremierColor InfinityEdge display.

Every Dell Precision is designed around innovation, performance and reliability. We understand the importance of time and workflow for all professional creators. With this in mind we design technology with the most innovative performance technologies, and work with our software partners to test and certify all Dell Precisions so that we maximize performance and minimize downtime.

Innovative design

Visually amazing to look at in every way. The chassis has been completely redesigned to be 6%* thinner, 17%* smaller and under 4 pounds. The InfinityEdge display gives you a smaller bezel allowing for a 15.6” 4K Ultra HD viewing area in the size of some 14” notebooks. This new mobile workstation has beautiful carbon fiber palmrest and a new touchpad. The PremierColor display is the first ever mobile workstation with 100% minimum Adobe color gamut.

Powerful performance

Professional software applications and the time it takes you to render, model, and process are all key factors to your creativity. Every Dell Precision comes with the exclusive Dell Precision Optimizer installed. This unique software, which can be centrally managed using your existing System Center Configuration Manager (SCCM) console, enables users to experience increased application performance and productivity from their Dell Precision workstation by automatically adjusting system settings based on the needs of specific professional software applications. The Dell Precision 15 5000 Series includes the latest 6th Generation Intel® Core™ and the world’s first mobile Intel® Xeon™ processors, NVIDIA Quadro® professional graphics card, new DDR4 memory, and Thunderbolt® 3 to provide you with the performance to make the most of your time. It also supports up to 2TB SSD storage, using ultra-fast PCIe SSDs.

Outstanding reliability

The software applications that many industries use to create demand computers that are stable and reliable. Dell invests thousands of hours with Independent Software Vendors (ISV) rigorously testing our Dell Precision workstations so we can deliver a tested, and fully optimized workstation to you. We partner with companies like Autodesk, Adobe, and Solidworks and many others to ensure your Dell Precision workstations work harmoniously with your software, as well as improve the quality of technical support you will receive in the event that you need it. If you do need technical support, Dell ProSupport Plus is the most complete service and support offering in the industry.

Recommended accessories

Dell offers a complete portfolio of recommended accessories for your Dell Precision workstations. These accessories including the world’s #1 Dell monitor brand, industry-specific peripherals and carrying cases.

                           Intel® Pro Graphics 530 & P530                          |
| Display Options         | 15.6" UltraSharp™ FHD IPS (1920x1080) Wide View Anti-Glare LED-backlit with Premium Panel Guarantee (72% color gamut)  
                           15.6" UltraSharp™ PremierColor UHD IGZO (3840x2160) Touch Wide View LED-backlit with Premium Panel Guarantee (100% Minimum Adobe color gamut) |
| Storage Options\(^4\)   | Support for two storage devices: one M.2 PCIe NVMe solid state drive and one 2.5" SSD/HDD drive: Dell Fast Response Free Fall Sensor standard  
                           Hard Disk Drive (HDD): 2.5" 500GB 7200RPM up to 1TB 2.5" 5400RPM SATA 6Gb/s  
                           Solid State Drive (SSD): 256GB, 512GB, 512GB SED, 1TB 2.5" SATA 6Gb/s  
                           M.2 PCIe NVMe Solid State Drive (M.2 SSD): 256GB, 512GB, 512GB SED, 1TB SSD |
| Communication Options\(^5\) | Wired: Type C to Ethernet adapter included  
                          Wireless LAN: Intel® 8260 Dual-Band 2x2 802.11ac (Miracast) Bluetooth® 4.1  
                          Dell DW1820 2x2 801.11ac + Bluetooth 4.1 |
| Multimedia              | Dual integrated high quality speakers and dual integrated noise cancelling digital array microphones standard  
                           MaxxAudio® Pro by Waves  
                           Integrated light sensitive HD video webcam |
| I/O Ports and Connectors | SD Card Reader (SD, SDHC, SDXC, supporting up to 64GB)  
                           1 x Thunderbolt 3  
                           2 x USB 3.0 with PowerShare  
                           1 x Headphone and microphone combo jack  
                           1 x HDMI  
                           1 x battery life indicator |
| Security\(^6\)           | Intel® Platform Trust Technology, Trusted Platform Module (TPM) 1.2/2.0, Chassis lock slot support  
                           Support for optional Computor® II |
| Dimensions              | Width X = 14.06" (357.23mm)  
                           Depth Y = 9.27" (235.47mm)  
                           Height Z = 0.45" (11.48mm) – rear 0.66" (16.82mm) |
| Battery                 | 56Whr Lithium Ion polymer battery  
                           84Whr Lithium Ion polymer battery |
| Weight\(^7\)            | 1.78kg (3.93lb) with FHD non-touch panel and SSD |
| Power Adaptor           | 130 Watt AC adapter (4.5mm barrel)                   |
| Regulatory and Environmental Compliance\(^8\) | ENERGY STAR 6.1; EPEAT registered |
| TAA Configurations      | YES                                                   |

Some options available only in select regions; ISV certification applies to select configurations; \(^1\) Intel Turbo Boost mode only available on Xeon, Core i7 and Core i5 processors. Intel Integrated HD graphics only available with select processors. \(^2\) A 64-bit operating system is required to support 4GB or more of system memory. \(^3\) GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less. \(^4\) GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors. \(^5\) Miracast wireless technology: requires a compatible media adapter (sold separately) and an HDMI-enabled display. \(^6\) Computor is not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.absolute.com/en/about/legal/agreements. \(^7\) Weights vary depending on configuration and manufacturing variability. \(^8\) See epeat.net for specific registration rating/status by country. For a complete listing of declarations & certifications, see Dell’s regulatory & compliance homepage at dell.com/regulatory_compliance. Availability and terms of Dell Services vary by region.
