Dell 70 Interactive Conference Room Monitor

C7017T

The ideal large interactive touch display for collaboration in conference rooms and classrooms.

Enhance collaboration with this large touch display

Exchange ideas clearly on this expansive 70-inch interactive touch screen which allows you and your team to:

- Conveniently choose the interaction you like — intuitive 10-point hand touch or stylus.
- Enjoy sharp images and great screen details on the bright Full HD anti-glare screen that reduces distracting reflections.
- See fonts clearly on this display designed for viewing everyday office programs and applications.
- Experience consistent, accurate text and colors across a wide viewing angle for easier group collaboration.
- Comfortably display presentations on the ideal screen size for a conference room seating nine to twelve people.

Easy to connect and manage

Get ready for your next meeting quickly and easily with the C7017T.

- Fast access to multiple connectivity ports including DisplayPort, USB, HDMI and VGA ports with optional wireless connectivity for added convenience.
- RS232 and RJ45 interface supports simplified remote management.
- Conveniently ships with compatible wall mount kit so the C7017T is ready to install right out of the box.

Reliable

Choosing Dell for your conference room monitor means you'll enjoy proven technology from the makers of the #1 monitor brand worldwide.*

- 3 years Limited Hardware Warranty[1] and Advanced Exchange Service[2].
- Meets regulatory and environmental standards like ENERGY STAR® and RoHS.
