

PC-as-a-Service.

A single, predictable, affordable price per seat, per month for single source design, deployment, management, security and support services for your Dell device portfolio.

And it's easy:

1

Select the optimum devices for your needs from the **Dell client portfolio**.

2

We deploy the latest client hardware.

3

We migrate all existing data to the new client systems.

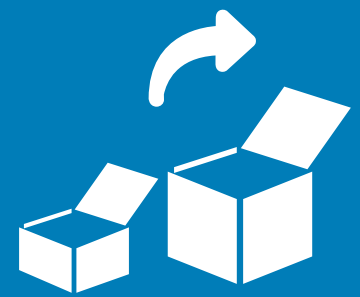

4

We remove and dispose of all packaging.

All products come with both **24x7x365** professional **Dell ProSupport** and pre-installed **Dell Data Encryption** software as standard.

There's also an **Online Portal** to help you manage your assets, view contracts and invoices and submit queries to Customer Care.

5

We dispose of all old equipment

Safely ✓

Securely ✓

In compliance with regulations ✓
