STATEMENT OF COMPLIANCE
This product has been determined to be compliant with the applicable standards, regulations, and directives for the
countries where the product is marketed. The product is affixed with regulatory marking and text as necessary for
the country/agency. Generally, Information Technology Equipment (ITE) product compliance is based on IEC and
CISPR standards and their national equivalent such as Product Safety, IEC 60950-1 and European Norm EN 60950-1
or EMC, CISPR 22/CISPR 24 and EN 55022/55024. Dell products have been verified to comply with the EU RoHS
Directive 2011/65/EU. Dell products do not contain any of the restricted substances in concentrations and
applications not permitted by the RoHS Directive.

EMC Emissions Class refers to one of the following use environments:
EMC Class B products are intended for use in residential/domestic environments but may also be used
in non-residential/non-domestic environments.

EMC Class A products are intended for use in non-residential/non-domestic environments. Class A products
may also be utilized in residential/domestic environments but may cause interference and require the user to
take adequate corrective measures.

For Product Safety and EMC compliance, this product has been assigned a unique regulatory model and regulatory
type that is imprinted on the product labeling to provide traceability to the regulatory approvals noted on this
datasheet. This datasheet applies to any product that utilizes the assigned regulatory model and type including
marketing names other than those listed on this datasheet.

ErP compliance is tied to the CE mark.

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, 1907/2006) is the European Union’s
(EU) chemical substances regulatory framework. Dell complies with the REACH directive. For information on SVHC
(Substances of Very High Concern), see www.dell.com/REACH.

Compliance documentation, such as certification or Declaration of Compliance for the product is available upon
request to regulatory_compliance@dell.com. Please include product identifiers such as marketing name,
regulatory module, regulatory type and country that compliance information is needed in request.

II. POWER CORDS AND USER DOCUMENTATION

Dell products are provided with the power cord and user documentation suitable for the intended country of delivery. Products that are relocated to other countries should use nationally certified power cords and plugs to ensure safe operation of the product. Contact Dell to determine if alternate power cords or user documentation in other languages is available for your market.

III. DATASHEET RESPONSIBLE PARTY NAME AND ADDRESS

Dell Inc.
Department: Global Regulations and Standards
MS: PS4-30
Round Rock, Texas 78682, USA
Regulatory_Compliance@Dell.com

IV. TRADE (IMPORT/EXPORT) COMPLIANCE DATA

For any questions related to importing & exporting classification of Dell products, please obtain information from the following link: [www.dell.com/import_export_compliance](http://www.dell.com/import_export_compliance) or send request to WW_Export_Compliance@dell.com

V. MATERIAL SAFETY DATA SHEET (MSDS)

For any questions related to products MSDS refer to information on [www.dell.com/regulatory_compliance](http://www.dell.com/regulatory_compliance).

(depending upon installed options)

VII. PRODUCT MATERIALS INFORMATION

Information on Dell’s material use is available here.
To review Dell’s Restricted Material Guidance document click here.

- The case material is, >PC+ABS<
- This product contains 0% post-consumer recycled plastic
- Marking of plastic parts greater than 25 grams are done in accordance with ISO 11469 (see below)

Flame Retardants Used in Motherboard

IX. DESIGN FOR ENVIRONMENT

Dell systems are, when applicable, designed for easy assembly, disassembly, and servicing. For more information on product Recyclability please click [www.dell.com/environmental_information](#).

XIII. RECYCLING/ END-OF-LIFE SERVICE INFORMATION

Take back and recycling services are offered for this product in certain countries. If you want to dispose of system components, contact Dell for instructions by emailing recycling_emea@dell.com or visit [www.dell.com/recyclingworldwide](#) and select the relevant country.
