

Trend Micro™

Internet Security

Smart Protection for your Home Network

With Trend Micro Internet Security, you no longer need to choose between computer performance and maximum protection. Get smart, proven security that never sleeps, guarding your PC from the latest threats while giving you the freedom to browse and shop online. Safeguard your PC and personal information without compromise.

WHAT'S NEW

Faster and Lighter

Over 40% lighter on memory, nearly 50% faster bootup time.

Enhanced Parental Controls

Manage your children's internet activity by limiting the amount of time spent online as well as the ability to block inappropriate websites.

Customizable Security Warnings

Set how often you want to be warned about security issues.

Home Network Map

Detailed graphical map gives you an overview of your home network.

FEATURES

Enhanced Behavior Monitoring/ Proactive Intrusion Blocking

A set of policies prevents unauthorized changes from occurring in the first place.

Antivirus Security

Detects and removes viruses and the latest threats from your emails, Internet downloads, removable media and PCs. Automatic updates immunize your security system against the newest virus outbreaks.

Spyware Protection

Blocks and removes spyware, adware, grayware, and root kits that hide deep inside your computer.

Detect and Block Image Spam

Stronger than ever protection from all forms of spam.

Personal Firewall

Intercepts hackers and network viruses trying to attack your computer and home network.

Fraud Defense

Protects you from online phishing scams designed to steal credit card and bank account numbers. Configures easily and notifies you of the latest Web-site risk.

Data Theft Protection

Prevents unauthorized input of personal information into websites.

Wireless Network Monitoring

Safeguards against unauthorized users invading your wireless home network.

Network Control

Manages, configures and updates security for every PC on your network, with an easy-to-use management console.

Household License

Superior PC protection for up to 3 home or mobile computers.
