

Dell Financial Services Canada Limited

In August 2021 we're launching a new Consumer financing product that will bring those customers enhanced features and new capabilities, including an all-new website offering a variety of online account management tools.

Take Action

We'll be retiring our current Consumer website on 08/23/2021. Our existing customers should bookmark this [page](#) before it's retired to continue managing their account online.

Other Account Service Options

Our current Dell Preferred Account and/or loan customers will still find the account help they need by:

- Using our Automated Phone System anytime by calling (800) 864-8156 to:
 - Make a payment
 - Check your account balance
 - Confirm your last payment posted
 - See your next minimum payment due
 - Retrieve your account number
- Contacting our Customer Care team with any other concerns at (800) 864-8156, Monday – Friday 8 a.m. to 5 p.m. CT.
