

“YOU as the exporter, re-exporter, or importer are responsible for ensuring that Dell’s products are exported and imported in accordance with the requirements of the country specific Trade Compliance regulations as well as U.S. Export Administration Regulations (EAR). Each commodity or software product has a respective Export Control Classification Number (ECCN) (per the United States Department of Commerce Export Administration Regulations), a Harmonized Tariff Schedule (HTS) code (per U.S. Customs and Border Protection regulations, as well as from Customs authorities from Brazil, Canada, Columbia, EU, India and Peru). End-user, End-use and Country of ultimate destination may affect export-licensing requirements. You are urged to consult the Export Administration Regulations, the Bureau of Industry and Security's Export Counseling Division, and other appropriate sources concerning restricted/prohibited uses and the exportation/re-exportation of Dell’s products.”

All export information and assistance provided by Dell is provided for informational purposes only. Dell makes no representation or warranty as to the accuracy or reliability of such regulations. Any use of such regulations by you is at your own risk. Dell is in no way responsible for any damages whether direct, consequential, incidental, or otherwise, suffered by you as a result of using or relying upon such regulations for any purpose whatsoever.
