Limits on Dell Comprehensive Software Support. Dell does not warrant that any particular software-related question will be resolved or that the covered software product will produce any particular result. Situations giving rise to Customer's questions must be reproducible on a single system (i.e., one central processing unit with its workstation and other peripherals). Dell may conclude that a software issue is sufficiently complex or that the Supported Product is of a nature that precludes effective analysis of the question through remote support. Customer understands and accepts that resolutions of certain issues giving rise to Customer's service request may not be available from the publisher of the relevant software title. Customer accepts that in such situations where no resolution is available from the publisher of the relevant software title, Dell's obligation to provide support to the Customer will be fully satisfied.

#### **Collaborative Assistance**

If a problem arises with certain software pre-installed by Dell on your Supported Product, Dell will serve as a single point of contact, as set forth herein, until the problems are isolated and escalated to the third-party product vendor. Specifically, Dell will contact the third-party vendor and create a "problem incident" or "trouble ticket" on behalf of

Customer, providing the necessary problem documentation. Once a vendor is engaged, Dell will monitor the problem resolution process and obtain status and resolution plans from the vendor until the vendor resolves the problem by either providing a resolution, steps towards a resolution, workaround, configuration changes, or escalation of a bug report. Upon the Customer's request, Dell will initiate management escalation procedures within Dell and/or the vendor organization.

To be eligible for Collaborative Assistance, the Customer must have the appropriate active support agreements and entitlement with the respective third-party vendor. Once isolated and reported, the third-party vendor provides technical support and resolution for Customer's problem. DELL WILL NOT BE RESPONSIBLE FOR THE PERFORMANCE OF OTHER VENDORS' PRODUCTS OR SERVICES.

View current Collaborative Assistance partners at [www.dell.com/collaborative](http://www.dell.com/collaborative). PLEASE NOTE THAT SUPPORTED THIRD-PARTY PRODUCTS MAY CHANGE AT ANY TIME WITHOUT NOTICE TO CUSTOMERS.

### How to contact Dell if you require service

Remote online or phone-based support is a key part of this Service, and remote diagnosis or troubleshooting is required prior to receiving this Service.

#### Step One: Contact Dell for Assistance

- Contact details are available at [www.dell.com/support](http://www.dell.com/support).
- Contact Dell from a location which includes physical access to the Supported Product.
- You will help us serve you better if you have the following information and materials ready when you contact us: your Supported Product's invoice, serial numbers, the service tag number, model number, current version of the operating system, mobile device, phone, or SIM card number, and the brand names and models of any peripheral devices (such as a modem) you are using and other information as requested by Dell.
- Dell will verify the Supported Product, applicable Service and response levels and confirm any expiration of Services.

#### Step Two: Assist with Remote Troubleshooting

- When requested, provide information (if available) on error messages received and when they occur; what activities preceded the error message; and what steps you have already taken to attempt to solve the problem.
- We will work with you through a series of remote troubleshooting steps to help diagnose the issue. You may be asked to access the inside of your Supported Product where safe to do so.
- Follow the instructions and any suggestions carefully. Remote diagnostic and troubleshooting steps like those outlined in Steps One and Two are an essential aspect of reaching the right resolution for your issue. Those steps may require more than one interaction or call with Dell or an extended session.
- If, following completion of remote diagnosis and troubleshooting, Dell determines that your Supported Product's issue is a Qualified Incident and it is necessary to replace a part, return the Supported Product for service, or dispatch an onsite technician for service, then we will provide additional instructions.

## Onsite Service

Provided that all applicable terms and conditions set forth in this Service Description have been fulfilled and following completion of remote troubleshooting, diagnosis, and problem determination by a technical support agent who will determine if the Qualified Incident requires an onsite technician and/or parts to be dispatched or if the issue can be resolved remotely, Dell will dispatch an onsite technician to the Customer's location for the Qualified Incident.

The technical support agent will determine whether such service is available for your Supported Product within your country of residence (e.g., the United States, Canada).

Please tell the technical support agent the full address of your Supported Product's location. Both the performance of service and service response times depend upon the time of day your call or inquiry is received by Dell, the service alternative you purchased, parts availability, geographical restrictions, weather conditions, and the terms of this Service Description. If you follow the procedures detailed in this Service Description and if your issue is subject to dispatch under this Service Description, then an onsite technician will be dispatched, usually in 1 or 2 business days following completion of remote diagnosis for large metropolitan areas and as soon as possible on a commercially reasonable effort basis for more remote geographical regions to arrive at your location during 9:00 a.m. to 6:00 p.m. local time, Monday through Friday, excluding regularly observed holidays. If the onsite technician is dispatched for service after 5:00 p.m., then the onsite technician may take an additional business day to arrive at your location.

- An adult must be present: For service provided onsite, an adult must be present at all times during the onsite technician's visit.
- Assistance you must provide: The onsite technician must receive full access to the Supported Product, and (at no cost to the technician) have safe working space, and electricity. A monitor or display, a mouse (or pointing device), and a keyboard must also be provided (at no cost to Dell), if the Supported Product does not already include these items. If these requirements are lacking, the onsite technician is not obligated to provide service.

<sup>1</sup> Availability may differ outside of the United States and is limited to commercially reasonable efforts. For more information, visit [www.dell.com/support](https://www.dell.com/support) to determine how to get more assistance.

- If you miss the service visit: If you or your authorized representative is not at the location when the onsite technician arrives, we regret that the onsite technician cannot service your Supported Product. If this occurs, you may be charged an additional charge for a follow-up service call.
- In some countries, the onsite service may be delivered by your seller or a third-party contractor acting on behalf of Dell.

### Customer Replaceable Units (CRU)

Regardless of the service response level purchased, some component parts are specifically designed for easy Customer removal and replacement: such parts are designated as Customer Replaceable Units (“CRU”). If during the remote diagnosis, the technical support agent determines that a Qualified Incident can be resolved with a CRU designated part, Dell will ship the CRU designated part(s) directly to the Customer. The freight method used to ship the CRU part is based on the level of service purchased by the Customer. Service parts for Customers with Onsite Service or Advanced Exchange response times will be shipped via a one to two business day freight method, unless otherwise noted by the technical support agent.

### Other Service Response Options

If, after remote troubleshooting, diagnosis, and problem determination, Dell determines that a repair method other than Onsite Service after remote diagnosis is required for a Qualified Incident, then one of the following service response options in the table below may be selected by Dell depending on the applicable country/region. Dell may also make other service options available to the Customer at the time Customer places a request for service.

If non-Dell options added to the Supported Product are found to be the cause of the reported problem, a service charge may be applied and repair and return times may be delayed. Dell reserves the right to send Customer a whole replacement for the Supported Product or a replacement for portions of the Supported Product rather than repairing and returning the Supported Product that Customer sent for repair.

Customer is obligated to pay at the then-current standard Dell price for any parts removed from the Supported Product and not properly returned to Dell by Customer. Failure to timely pay for parts not properly returned to Dell by Customer may result in suspension of Customer’s service under this Service Description. In the event that the Supported Product is located in an area not currently serviced by a major common carrier or with limited service by one or more major common carriers, Dell’s normal repair service will be delayed.

Customer should not send manuals, confidential, proprietary or personal information, or removable media. Dell is not responsible for lost or corrupted data, damaged or lost media, or Customer’s confidential, proprietary or personal information.

- Any Supported Product that suffers damage in connection with or as a result of incorrect or inadequate Customer Installation. "Customer Installation" shall include any of the following performed by the Customer or any third party on behalf of the customer: (1) unpacking or moving the Supported Product (2) installation or mounting of a Supported Product to a wall or other structure (or removal of the same following installation) and (3) affixing of brackets or other weight bearing devices designed for mounting or attachment to a wall or other structure (or removal of the same). Customer Installation does not include installation services purchased from Dell.
- Any Supported Product that is lost or stolen. To receive repair or replacement of a Supported Product, you must return the damaged Supported Product to us in its entirety.
- Any Supported Product that is damaged by fire from an external source or that is intentionally damaged or damaged by misuse, abuse, failure to follow instructions provided with the Supported Product, or use of the Supported Product in an incorrect environment. If we find evidence of intentional damage, misuse, abuse, failure to follow instructions provided with the Supported Product, or use of the Supported Product in an incorrect environment, we are not obligated to repair or replace the Supported Product.
- Any recovery or transfer of data stored on the Supported Product. You are solely responsible for all data stored on the Supported Product, and it is your responsibility to complete a backup of all existing data, software, and programs on

affected products before receiving services (including telephone support) or shipping products back to Dell. In addition, you are responsible for removing any confidential, proprietary, or personal information and any removable media such as SIM cards, memory cards, CDs, or PC cards. We do not provide you any data recovery services under this Accidental Damage/Complete Care Service Description. However, if Dell determines that replacement of a storage device or hard drive is necessary, we will reload, at no charge to you, the then-current version of major application and operating system software you originally purchased from us, including any installed Custom Factory Integration applications. We do not, however, represent or warrant and this Service Description does not obligate us to ensure that any installed Custom Factory Integration applications will be compatible with the replacement Supported Product.

- Preventive maintenance. It is not necessary that you perform any preventive maintenance on the Supported Product to obtain repair or replacement of a Supported Product covered by these Accidental Damage/Complete Care support terms.
- Except as specifically provided herein, any other damages that do not arise from defects in materials or workmanship or ordinary and customary usage of the covered Supported Product.
- Any damages arising from acts of God such as, but not limited to, lightning, flooding, tornado, earthquakes, and hurricanes.

**Additional Limitations for Service Purchased After the Purchase of the Supported Product.** Where allowed by law, this Accidental Damage/Complete Care Service may also be available for purchase after the date that Customer purchased a product. In those instances, the following conditions and limitations apply:

- **Requests for Accidental Damage/Complete Care Service for the Supported Product cannot be presented until 30 days after the Accidental Damage/Complete Care Service's purchase date, as indicated on Customer's invoice, information page or other order confirmation; provided however, that the 30-day waiting period will not apply to Customers who extend their service period prior to the expiration of the preceding service term.**
- Customer is responsible for ensuring that the Supported Product is in normal operating condition at the time Accidental Damage/Complete Care Service is purchased. Under no circumstances will Dell be responsible for Accidental Damage/Complete Care Service for any damage or defect that existed prior to the Customer's purchase of Accidental Damage/Complete Care Service.

### General Customer Responsibilities

**Authority to Grant Access.** Customer represents and warrants that it has obtained permission for both Customer and Dell to access and use the Supported Products, the data located thereon, and all hardware and software components included therein, for the purpose of providing these Services. If Customer does not already have that permission, it is Customer's responsibility to obtain it, at Customer's expense, before Customer asks Dell to perform these Services.

**Cooperate with Online Support Diagnosis, Technical Support Agent, and Onsite Technician.** Customer will cooperate with and follow the instructions given by any Dell remote support diagnosis service or technical support agent. Experience shows that most system problems and errors can be corrected remotely by closely following the remote diagnosis instructions or through close cooperation between the user and the technical support agent.

**Maintain Software and Service Releases.** Customer will maintain software and Supported Products at Dell-specified minimum release levels or configurations as specified on [www.dell.com/support](http://www.dell.com/support). Customer must also ensure installation of remedial replacement parts, patches, software updates or subsequent releases as directed by Dell to keep the Supported Products eligible for this Service.

**Data Backup; Removing Confidential Data.** Customer will complete a backup of all existing data, software and programs on all affected systems prior to and during the delivery of this Service. Customer should make regular backup copies of the data stored on all affected systems as a precaution against possible failures, alterations, or loss of data. In addition, Customer is responsible for removing any confidential, proprietary, or personal information and any removable media such as SIM cards, CDs, or PC Cards regardless of whether an onsite technician is also providing assistance. Dell will not be responsible for the restoration or reinstallation of any programs or data. Unless prohibited by applicable local laws, Dell will have no data loss liability for:

1. Any of your confidential, proprietary or personal information.
2. Lost or corrupted data, programs or software.
3. Damaged or lost removable media.
4. Data or voice charges incurred as a result of failing to remove all SIM cards or other removable media inside Supported Products that are returned to Dell.
5. The loss of use of a system or network.
6. For any acts or omissions, including negligence, by Dell or a third-party service provider.

**Antivirus Set up.** Prior to receiving antivirus software setting assistance, the Customer must have an active antivirus subscription service.

**Malware and Virus Remediation.** Malware and Virus removal detected by SupportAssist for Home PCs may also require assistance from Customer, remote support from Dell, or both. Customer acknowledges that alteration or remediation of some malware and virus programs may impair the performance of certain programs. In addition, altering or removing such programs may be restricted by certain software licenses. It is Customer's responsibility to examine such licenses and to ensure that the procedures performed as part of these Services will not affect these licenses, or, if they do, that the effect on such licenses or system performance is acceptable to Customer. Customer further acknowledges that these Services cannot guarantee that additional malware or viruses will not return to or appear on a Customer's Supported Product after Services have been rendered. Given the increasing complexity of anti-virus remediation activities, and the variety of problems that can arise as a result of the introduction of malicious code, Customer acknowledges that Dell's performance of this Service does not provide any guarantee that there will be no malware or virus present after the Service has been performed. Dell expects its Customers to employ protective software, such as anti-virus software and firewalls, to protect a Customer's own network and systems against unauthorized access and the automated spread of malicious software.

**Third Party Warranties.** These Services may require Dell to access hardware or software that is not manufactured by Dell. Some manufacturers' warranties may become void if Dell or anyone else other than the manufacturer works on the hardware or software. Customer will ensure that Dell's performance of Services will not affect such warranties or, if it does, that the effect will be acceptable to Customer. Dell does not take responsibility for third party warranties or for any effect that the Services may have on those warranties.

#### **All Customers:**

Prior to the expiration of your service contract and subject to the limitations set forth in this Service Description, you may be able to extend your service period based on available options then in effect for your Supported Product; provided however, that the duration of your service contract shall not extend beyond the duration of the hardware warranty (including any warranty extensions). Please note that this is independent of any statutory warranty rights you may have under mandatory local consumer law. Customer further agrees that by renewing, modifying, extending, or continuing to utilize the Service beyond the initial term, the Service will be subject to the then-current Service Description available for review at [www.dell.com/servicecontracts](http://www.dell.com/servicecontracts).

To the extent that any terms of this Service Description conflict with any terms of the Agreement, the terms of this Service Description will prevail, but only to the extent of the specific conflict, and will not be read or deemed to replace any other terms in the Agreement which are not specifically contradicted by this Service Description.

In addition to receiving this Service Description, Customers in certain countries may also be required to execute a form of signed Order Documentation.

## Additional Terms & Conditions Applicable to Support & Warranty-Related Services

- 1. Term of Service** This Service Description commences on the date you place your order and continues through the Term of Service. The "Term of Service" begins on the invoice date and extends for the term indicated on the Customer's invoice. For countries where Dell does not sell directly to end customers, the Service Description commences at the time of first purchase and lasts for a period as stated by Dell in supporting documents (e.g., Dell invoice) and Dell website. Unless otherwise agreed in writing between Dell and the Customer, purchases of Services under this Service Description shall be solely for Customer's own use and not for resale or service bureau purposes.
- 2. Supported Products** This Service is available on Supported Products which include select Dell Inspiron™, XPS, and Alienware branded products which are purchased in a standard configuration ("Supported Products"). The specific Product covered under this Service Description is described on your invoice or the information page included with your copy of this Service Description. Supported Products are added regularly, so please contact a sales representative or visit [www.dell.com/support](http://www.dell.com/support) for the most up-to-date list of Services that are available on your Supported Products. Each Supported Product is tagged with a serial number (the "Service Tag"). A separate service agreement must be purchased by Customer for each Supported Product. Please refer to the Service Tag on your Supported Product when contacting Dell for this Service.
- 3. Hardware Warranty Scope.** Support-related services may include technical support options (telephone, internet, etc.) and service parts and related labor services to repair or replace defect(s) in materials and workmanship pursuant to and occurring within the warranty period applicable to the Supported Product(s) (a "Qualified Incident"). Please see [www.dell.com/warranty](http://www.dell.com/warranty) or your regional Dell website for warranty information or contact a technical support agent for more details.
- 4. International Travel Support.** Dell provides service and support options when traveling with Supported Products outside of your home country and for a period of less than six (6) months. Certain service and support features may not be available and is subject to the terms of the Geographical Limitations & Relocation section. Additional terms and conditions apply; please contact Dell technical support for more details or visit <https://www.dell.com/support/contents/article/contact-information/international-support-services/dell-international-support>.
- 5. Inspection.** Dell reserves the right to inspect the Supported Product to confirm that it is in normal operating condition. Dell may, for an additional charge, offer Customer repair options to return the underlying product to normal operating condition.  
If, upon inspection, Dell determines that the damage or defect for the Supported Product existed before the Service was purchased, then the request for Service will be denied.
- 6. Parts and Product Ownership.** All Dell parts or components removed from the Supported Product and any original products for which Customer received a replacement product become the property of Dell. If Dell delivers a replacement part, component, or product to Customer, Customer must relinquish the item to Dell, unless Customer has purchased "Keep Your Hard Drive" for the affected product, in which case Customer may retain the respective hard drive(s). If Customer does not relinquish the item to Dell as required above, or if the unit is not returned within ten (10) days in accordance with written instructions provided with the replacement

unit (in the event the replacement unit was not delivered in person by a Dell onsite technician), Customer agrees to pay Dell for the replacement unit upon receipt of invoice. **IF YOU FAIL TO PAY DELL FOR ANY PART, COMPONENT, OR PRODUCT, THEN DELL MAY CANCEL THIS SERVICE DESCRIPTION, SUSPEND YOUR WARRANTY AND/OR SERVICE SUPPORT ON ANY DELL PRODUCT YOU MAY OWN UNTIL THE APPLICABLE AMOUNT IS PAID, AND/OR TAKE OTHER LEGAL STEPS.** A suspension of warranty or service for failure to properly return a part, component, or product will not toll the term of your warranty or service contract.

7. **Parts.** Dell uses, and Customer expressly authorizes the use of, new and reconditioned parts and products made by various manufacturers in performing repairs and replacing products.
8. **Advanced Exchange.** If applicable in your region, Dell may offer to provide a replacement part or product (“Replacement Item”) to you on an Advanced Exchange basis, regardless of the original level of service purchased by you. Before providing an Advanced Exchange, Dell may require a valid credit card number and credit authorization or payment for the Replacement Item from you prior to sending you such Replacement Item. If you do not wish to provide credit authorization or payment pursuant to this paragraph, you will not receive a Replacement Item on an Advanced Exchange basis. We will not charge your credit card for the Replacement Item, or we will refund your payment for such Replacement Item as long as: 1) you return the original part or product to us within 10 days of your receipt of the Replacement Item and 2) we confirm that your product issue is covered under the warranty applicable to Customer's Supported Product(s) or a valid support contract. Please see [www.dell.com/warranty](http://www.dell.com/warranty) or your regional Dell website for warranty information or contact a technical support agent for more details. If we do not receive your original part or product within 10 days, we will charge your credit card for the then-current standard price for the Replacement Item, or, if payment was required in advance of shipment, will not refund your payment. If upon receipt of your original part or product, we determine that your product issue is not covered under the applicable warranty or valid support contract, then you will be given the opportunity to return the Replacement Item, at your sole expense, within ten (10) days from the date we contact you regarding the lack of coverage for your issue, and if you do not return the Replacement Item, then we will charge your credit card for the then-current standard price for the Replacement Item, or, if payment was required in advance of shipment, then we will not refund your payment.

### Important Additional Information

**No Warranties.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, CUSTOMER ACKNOWLEDGES AND AGREES THAT GIVEN THE NATURE OF THE SERVICE, THESE SERVICES ARE PROVIDED “AS IS” AND DELL MAKES NO WARRANTIES REGARDING THE SERVICE OR THE RESULTS OF THE SERVICE, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. DELL EXPRESSLY DISCLAIMS ALL WARRANTIES AS TO THE SERVICES PROVIDED HEREUNDER.

**Limitation of Liability.** TO THE EXTENT ALLOWED BY LOCAL LAW, CUSTOMER’S SOLE AND EXCLUSIVE REMEDY AND DELL’S ENTIRE, COLLECTIVE LIABILITY IN CONTRACT, TORT, OR OTHERWISE, UNDER THIS SERVICE DESCRIPTION IS A PRO-RATED REFUND OF THE AMOUNTS PAID TO DELL FOR THE SERVICE THAT IS THE BASIS OF THE CLAIM. UNDER NO CIRCUMSTANCES WILL DELL BE LIABLE TO YOU OR ANY OTHER PERSON FOR ANY DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, EXPENSES, COST, PROFITS, LOST SAVINGS OR EARNINGS, LOST OR CORRUPTED DATA, OR OTHER LIABILITY ARISING OUT OF OR RELATED TO THIS

AGREEMENT, OR OUT OF THE INSTALLATION, DEINSTALLATION, USE OF, OR INABILITY TO USE THE SYSTEM, OR OUT OF THE USE OF ANY SERVICE MATERIALS PROVIDED HEREUNDER.

THIS AGREEMENT GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF (i) INCIDENTAL OR CONSEQUENTIAL DAMAGES OR (ii) IMPLIED WARRANTIES, SO THE ABOVE EXCLUSIONS MAY NOT APPLY.

**Binding Arbitration.** FOR CUSTOMERS IN THE US AND CANADA, THIS SERVICE DESCRIPTION REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS. FOR ALL OTHER CUSTOMERS: THE DISPUTE RESOLUTION TERMS THAT APPLY TO YOU ARE SET OUT IN YOUR TERMS OF SALE. Neither Dell nor you may institute any action in any form arising out of this Service Description more than eighteen (18) months after the cause of action has arisen, or in the case of nonpayment, more than eighteen (18) months from the date of last payment.

**Governing Law.** THIS AGREEMENT SHALL, TO THE EXTENT PERMITTED BY APPLICABLE LAW, BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO CONFLICTS OF LAWS RULES. DIFFERENT GOVERNING LAW PROVISIONS MAY APPLY TO YOU AS SET FORTH IN EXHIBIT A OR IN THE APPLICABLE TERMS OF SALE.

**Severability.** If any provision of this Service Description is void or unenforceable, the parties agree to delete it and agree that the remaining provisions will continue to be in effect.

**Commercially reasonable limits to scope of service.** Dell may refuse to provide Services if, in its opinion, providing the Services creates an unreasonable risk to Dell or Dell's Service providers or is beyond the scope of Services. Dell is not liable for any failure or delay in performance due to any cause beyond its control. Service extends only to uses for which the Supported Product was designed. Customer acknowledges that Dell may not be able solve Customer's particular problem.

**Optional services.** Optional services (including point-of-need support, installation, consulting, managed, and professional, support or training services) may be available for purchase from Dell and will vary by Customer location. Optional services may require a separate agreement with Dell. In the absence of such agreement, optional services are provided pursuant to the terms and conditions of this Service Description.

**Assignment and Subcontracting.** Dell may subcontract this Service and/or assign this Service Description to qualified third party service providers who will perform the Service on Dell's behalf.

**Complete Agreement.** THIS SERVICE DESCRIPTION IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN YOU AND DELL AND IT SUPERSEDES ALL PRIOR ORAL AND WRITTEN PROPOSALS AND COMMUNICATIONS PERTAINING TO THE SUBJECT MATTER HEREOF.

**Cancellation.** If you purchased this service from a seller other than Dell, please see your sales receipt or other sales documentation for return policy, and please visit your original place of purchase for returns, cancellations, or refunds. FOR CUSTOMERS WHO PURCHASED FROM DELL, UNLESS OTHERWISE STATED IN THE APPLICABLE TERMS OF SALES, YOU MAY CANCEL THIS AGREEMENT BY PROVIDING TO DELL AT LEAST THIRTY (30) DAYS WRITTEN NOTICE OF THE DECISION TO CANCEL. DELL WILL ISSUE A REFUND TO YOU FOR ANY UNUSED PORTION OF THE SERVICE TERM FOR WHICH YOU HAVE PAID. IF MORE THAN THIRTY (30) DAYS HAVE TRANSPIRED FOR THE CURRENT CONTRACT YEAR, THEN A REFUND WILL NOT BE PAID FOR THAT CURRENT CONTRACT YEAR. THE BASE LIMITED HARDWARE WARRANTY OR BASIC HARDWARE SERVICES AGREEMENT, AS APPLICABLE, MAY NOT BE CANCELED. CANCELLATION OF EXTENDED WARRANTIES

OR ADDITIONAL SERVICES AT ANY TIME AFTER THE ORDER IS PLACED MAY REDUCE ANY APPLICABLE DISCOUNT AND MAY REQUIRE RETURN OF THE COMPLETE PRODUCT.

If you are a consumer, the Cancellation clause above does not affect any applicable statutory warranties or rights for consumers.

Dell may cancel this Service at any time during the Service term for any of the following reasons:

- Customer fails to pay the total price for this Service in accordance with the invoice terms.
- Customer refuses to cooperate with the assisting technical support agent or onsite technician.
- Customer fails to abide by all of the terms and conditions set forth in this Service Description.
- If you threaten the technical support agent or onsite technician either verbally or physically.
- If your location or the general area where the product is located is infested with insects, rodents, pests, biohazards, human or animal excrement and/or chemicals as reasonably determined to be unsafe by the onsite technician; or
- Customer repeatedly misuses this Service for out of scope issues or otherwise violates the terms of Dell's fair use policy as provided herein.

If Dell cancels this Service for any of the above reasons, Dell will send Customer written notice of cancellation at the address indicated on Customer's invoice. The notice will include the reason for cancellation and the effective date of cancellation, which will be not less than ten (10) days from the date Dell sends notice of cancellation to Customer, unless local law requires other cancellation provisions that may not be varied by agreement. If Dell cancels this Service for any of the above reasons, Customer shall not be entitled to any refund of fees paid or due to Dell. Additionally, Dell may, at its discretion, terminate the Services on thirty (30) days' notice to Customer, in which case Customer will be entitled to a pro-rated refund of any unearned fees for Services that Customer paid.

**Geographic Limitations & Relocation.** This Service will be delivered to the site(s) indicated on the Customer's invoice. This Service is not available in all areas. In situations when relocation occurs to a country where the Service is already available, Dell will use commercially reasonable efforts to honor the Service obligation, per the terms of Service in the destination country. In situations where relocation occurs to a country where the Service is unavailable, the Service does not transfer.

Service options, including service levels and technical support hours will vary by geography and are subject to entitlement verification. Certain options may not be available for purchase in Customer's location. Dell's obligation to supply the Services to relocated Supported Products is subject to local service availability and may be subject to additional fees.

Limitations could include:

- support in the language(s) used by Dell for providing support in the new country,
- the availability of labor and parts (in particular, some parts such as foreign language keyboards or AC adapters, may not be available),
- the ability to support software not in local language, or not designed for the local market.

Customer must transfer the service tag on the Supported Product to the local country if relocating permanently to a different country. Specific rules for ownership transfers can be found at:

<https://www.dell.com/support/kbdoc/000125103>.

**Transfer of service.** Subject to the limitations set forth in this Service Description, Customer may transfer this Service to a third party who purchases Customer's entire Supported Product before the expiration of the then-current service term, provided Customer is the original purchaser of the Supported Product and this Service, or Customer purchased the Supported Product and this Service from its original owner (or a previous transferee) and complied with all the transfer procedures available at [www.dell.com/support](http://www.dell.com/support) (for the US and Canada) and <https://www.dell.com/servicecontracts>. A transfer fee may apply. Please note that if Customer or Customer's transferee moves the Supported Product to a geographic location in which this Service is not available (or is not available at the same price) as Customer paid for this Service, Customer may not have coverage or may incur an additional charge to maintain the same categories of support coverage at the new location. If Customer chooses not to pay such additional charges, Customer's Service may be automatically changed to categories of support which are available at such price or a lesser price in such new location with no refund available. The Service may not be transferred to another device or Service Tag.

**Fair Use Policy.** The use of these Services is subject to Dell's fair use policy. Dell's fair use policy provides that if at any time a user is found to be abusing the Services by exceeding the level of reasonably expected use, then Dell reserves the right to suspend or cancel these Services. In addition, to the extent allowed by local law, Dell reserves the right to suspend or cancel any Services that Dell, in its sole discretion, determines are being used (a) fraudulently, (b) by any person other than the eligible customer or his or her permitted transferee hereunder, or (c) for any computer system other than a Supported Product.

**Recording Calls.** In carrying out its obligations to provide Premium Support Plus (the "Services") and to the extent allowed by local law, Dell, or its third-party subcontractors, may at Dell's discretion and solely for the purposes of monitoring the quality of Dell's response, record part or all of the calls, chat, email, and other interactions between you and Dell. If you do not agree with these terms, please do not use the Services.
