

Dell Vostro Laptop

Model 5510 & 5515

English Only

Reviewer's Guide –March 2021

Product appearance may vary slightly from image shown.

Built for Small Business

The Vostro family of PCs is built for Small Business. Whether you're balancing the books, ordering inventory or managing payroll, the easy-to-use Vostro family of PCs is dedicated to helping your business thrive. This brand delivers reliable security, essential productivity features, outstanding support and exceptional affordability.

Product appearance may vary slightly from image shown.

Vostro 5510 & 5515 Laptop Feature Overview

Get down to business

Powerful processing: Tackle your to-do list and power through your workday with performance you can rely on thanks to 11th Gen Intel Core processors (5510). Power through your workday with the latest AMD Ryzen™ 5000 Series Mobile Processors with Radeon™ Graphics, which deliver a performance you can rely on as you accomplish your business goals (5515).

Keeps its cool: A redesigned thermal system unleashes the power of your device while also preserving its thin design. Dual heat pipes move heat away from your CPU and GPU, a larger fan and more fan blades move more air, and a drop-hinge allows air to circulate underneath your laptop.

Peace and quiet: With a fluid dynamic bearing system, your laptop's fan is not only long-lasting, but it also runs quietly while keeping your device performing at its best.

Charge up: Charge your device up to 80% in an hour with ExpressCharge for worry-free battery performance that won't keep you tethered to an outlet.*

Work where you want: Enjoy optimal connectivity with up to Intel Wi-Fi 6 which means faster downloads, smoother streaming and easier sharing.

Narrow borders: Minimize distractions and stay focused with a 4-sided narrow border on a 15.6-inch laptop.

*ExpressCharge must be enabled within Dell Power Manager software. System must be powered off or in hibernation mode for ExpressCharge feature to function. After charging has reached the stated capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging times may vary.

Vostro 5510 & 5515 Laptop

Feature Overview Continued

Comfortably reliable

Size is key: Spill resistant keyboard with larger pitch keys give users added typing comfort so you stay productive.

Built to last: Starting at 3.67 lbs (1.67 kg),* the Vostro 5510 & 5515 offer a reliable design that passed 15 military-grade tests with an 810H certification** to ensure your laptop can better withstand the day to day wear and tear of the job.

Superior security

Prioritize privacy: The privacy shutter ensures no one can see you while the HD webcam isn't in use, so you're protected from accidental embarrassments.

TPM 2.0: The Trusted Platform Module 2.0 is a commercial-grade security chip installed on the motherboard that creates and stores passwords and encryption keys. It verifies that the computer has not been tampered with before booting up, and protects your data against external software attacks.***

Simple & secure: The optional fingerprint reader with Windows Hello allows you to easily and securely log in with just one touch.

Conference with clarity

Crystal-clear camera: The high-quality HD camera lets you converse face to face in vivid detail, and at just 2.7mm, its size allows for borders to be narrower.

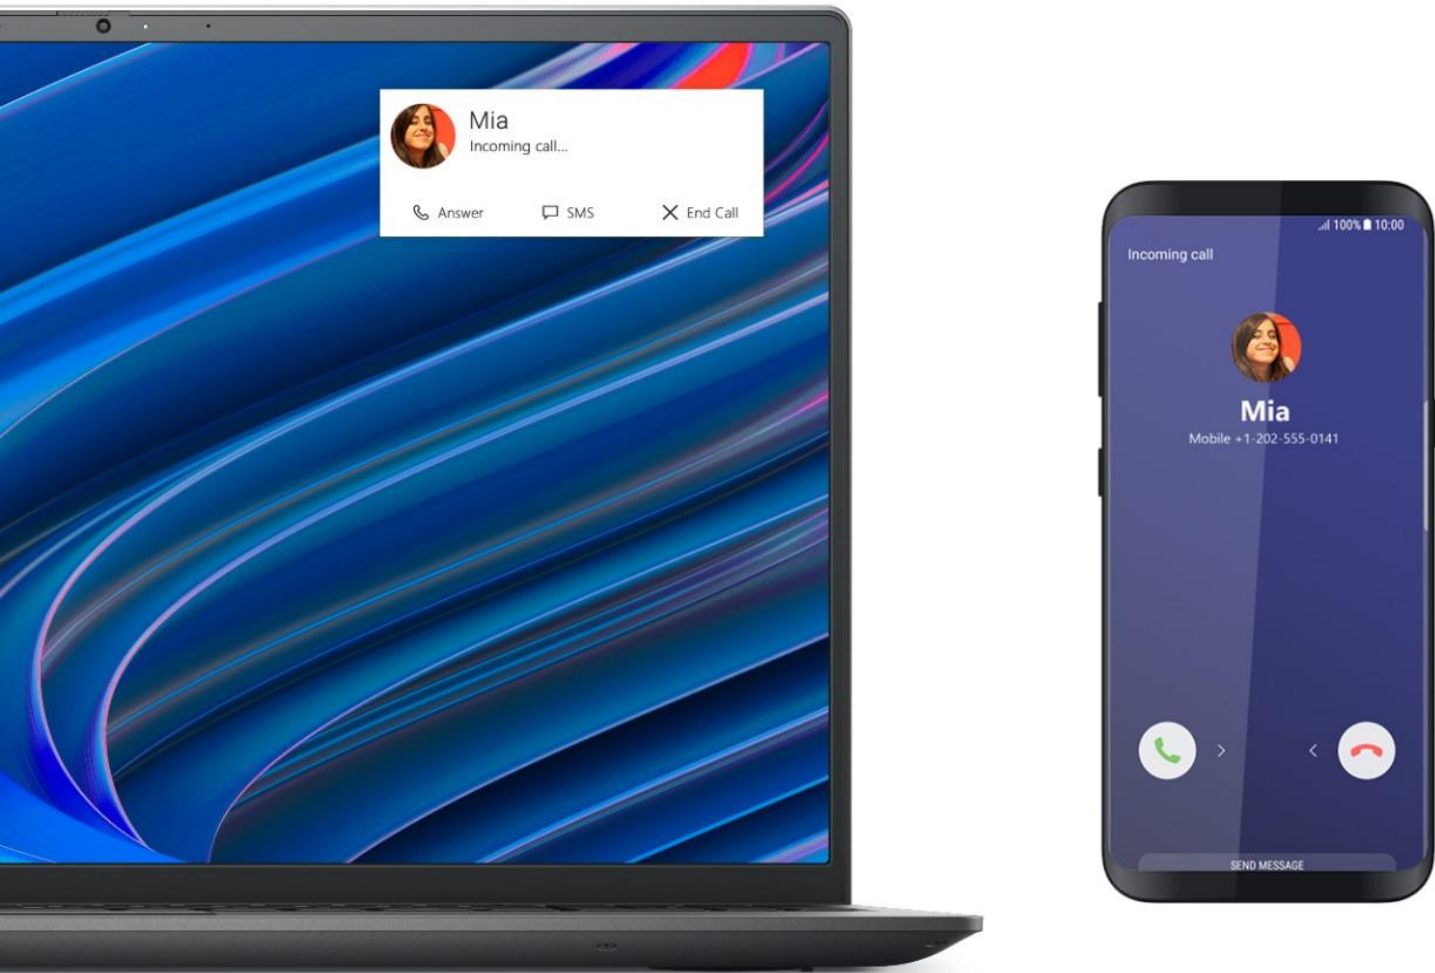

Clearer quality: SmartByte software ensures video-conferencing applications receive network bandwidth priority over other applications, so every business call features outstanding clarity.

*Weights vary depending on configurations and manufacturing variability.

**Based on testing by SGS Reliability Laboratory, February 2021.

Vostro 5410 & 5415 Laptop Feature Overview Continued

Unite your devices with Dell Mobile Connect

Stay focused and connected: Stay focused on tasks by interacting with your phone directly from your Dell PC— you can easily make calls, send texts, and get notifications.

Transfer files seamlessly: Transfer files, photos, videos, music, and documents between your PC and phone without complicated cloud storage or cumbersome cables.

Mirror Device to PC: Project your Android or iOS device screen onto your PC and interact with apps there.

Maintain your privacy: Your phone connects to your PC via Dell Mobile Connect's point-to-point, secure connection so your data is never exposed via unsecure internet connections.

*Dell Mobile Connect is available on all new Bluetooth-enabled, Inspiron, Vostro, G-Series, Alienware and Consumer XPS devices with Windows 10. Dell Mobile Connect's smartphone Companion App must be downloaded from the App Store for your smartphone, and requires Android 6 (or above) or iOS 11 (or above). For iOS, file transfer capabilities are limited to photos and videos.

NOTES:

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Battery life figures are based on testing using the Mobile Mark 2014 battery life benchmark test. For more information about this benchmark test, visit www.bapco.com. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Watt Hour (Whr) - The stated Watt Hour (Whr) is not an indication of battery life.

Notebook Weight: Weights vary depending on configuration and manufacturing variability.

Internal Use - Confidential

Weight Claim

Vostro 5510

The Vostro 5510 starting weight* is starting from **3.67 lbs (1.667kg)** when equipped with 11th Generation Intel® Core™ i5-11300H Processor, Intel® Iris Xe graphics, 8GB DDR4 memory, 256G SSD, 1920*1080 FHD non-touch 250 nits Anti-Glare display, 4 cell 54 WHr battery, as tested by Dell labs 01/18, 2021.

Vostro 5515

The Vostro 5515 starting weight* is starting from **3.59 lb (1.632kg)** when equipped with AMD Ryzen™ 5 5500U Mobile Processor with Radeon™ Graphics, 8GB DDR4 memory, 256G SSD, 1920*1080 FHD non-touch 250 nits Anti-Glare display, 4 cell 54 WHr battery, as tested by Dell labs 01/18, 2021.

Services for Vostro

We keep you connected and productive, providing peace of mind so you can focus on what matters most. Support services are available around the globe with coverage in over 160 countries and 55 languages. Our ProSupport engineers are available 24x7 to help with hardware and software issues. In the event of spills, drops or surges, Accidental Damage Service makes repair or replacement easy. Dell strives to ensure our customers always get the most out of their technology investments.

Dell Base Warranty¹

With Dell's Base Warranty, if your system encounters an issue covered by the warranty that cannot be resolved remotely, Dell will provide a convenient way to return your system to a Dell certified repair facility and return the repaired device. Your system comes with 1 year base warranty with the option to add onsite repair¹ and to extend the warranty for up to 4 years to ensure easy support for the life of your PC.

ProSupport

ProSupport for PCs is designed to provide fast, proactive IT support for businesses of all sizes. ProSupport makes it easy because you get a team of engineers who are always accessible, provide you with a single source for hardware and software² issues, and respond quickly to help maximize user uptime. ProSupport also features AI-driven technology for proactive monitoring and resolution of issues and automatic case creation for faster time to productivity³. ProSupport frees your IT team from time-consuming day-to-day user support, allowing them to focus on strategic priorities that move your business forward, while keeping your end-users happy and productive.

ProSupport Plus for PCs

The most complete support service that combines predictive analysis and protection for PCs to proactively resolve and prevent issues with minimal customer effort. With ProSupport Plus you will be notified about issues before they become problems, virtually eliminating unplanned downtime due to hard drive issues⁴. It ensures PCs are running smoothly so customers can focus on what's important.

ProSupport and ProSupport Plus with SupportAssist significantly reduced time to resolve a failed hard drive⁵ with:

- Up to 84% less time to resolution (6x faster than the competition)
- Up to 73% fewer steps in the support process (16 fewer steps to resolution)

Accidental Damage Service⁵

Coverage for accidental drops, spills, surges and breakages. Accidental Damage Service provides peace of mind for hardware systems in high-risk usage environments like home offices, schools and mobile professionals. Convenient repair or replacement of damaged systems helps minimize downtime and increase productivity. Accidental Damage Service can provide repair of your system for accidents up to 4 years, not otherwise covered by the Limited Hardware Warranty. By providing enhanced coverage at an exceptional value, Accidental Damage Service helps reduce out of pocket expenses and improves cost control.

1 - Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Base Warranty and not resolved remotely, technician and/or part will be dispatched, usually in 1 or 2 business days following completion of Remote Diagnosis. Onsite Service is provided by Dell Marketing L.P. Availability varies. Other conditions apply. For complete details about Onsite Service, see dell.com/servicecontracts

2 - For the IoT Edge Gateway, excludes certain software, OS and third party apps.

3 - SupportAssist not available on Linux, Windows 10S, Windows RT, Windows 10 CMIT Government Edition, Android, Ubuntu or Chrome based products. SupportAssist automatically detects and proactively alerts Dell to: operating system issues, software upgrades, driver updates and patches, malware, virus infected files, failures of hard drives, batteries, memory, internal cables, thermal sensors, heat sinks, fans, solid state drives and video cards. Predictive analysis failure detection includes hard drives, solid state drives and batteries.

4 - Based on a Principled Technologies test report, "Dell ProSupport Plus warns you about hardware issues so you can fix them before they cause downtime" dated April 2019. Testing commissioned by Dell, conducted in the United States. Actual results will vary. Full report <http://facts.pt/0xyze8>. Hardware issues detected by SupportAssist include hard drives, solid state drives, batteries and fans.

5 - Based on a Principled Technologies test report, "Spend Less Time and Effort Troubleshooting Laptop Hardware Failures" dated April 2018. Testing commissioned by Dell, conducted in the United States. Actual results will vary. Full report: <http://facts.pt/152XKM>

6 - This service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customers may be required to return unit to Dell. Limit of 1 qualified incident per contract year. For complete details, visit www.dell.com/servicecontracts.

Important information

Hard Drives: Hard Drive capacity varies with preloaded material and will be less.

Graphics & shared memory: System memory may be used to support graphics, depending on system memory size and other factors.

Weight: Weights vary depending on configuration and manufacturing variability.

Limited hardware warranty: Limited Hardware Warranty is available by writing: Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or See dell.com/warranty.

Dell ProSupport™: Dell ProSupport availability and terms vary by region and product.
See dell.com/servicecontracts/global.

Accidental Damage: Accidental Damage Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer must return damaged unit. Limit of 1 qualified incident per contract year.
See dell.com/servicecontracts.

Mail-In Service for Repair after Remote Diagnosis: Mail-In Service after Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If the issue is covered by Limited Hardware Warranty and not resolved remotely, shipping instructions will be provided. Availability varies. See dell.com/servicecontracts.

Rapid Return for Repair after Remote Diagnosis: Rapid Return for Repair after Remote Diagnosis is determination by online/phone technician of cause of issue, which may take multiple extended sessions. If issue is covered by Limited Hardware Warranty and not resolved remotely, shipping instructions will be provided. Next Business Day shipping not available in all areas, which may delay repair and return times. See [Terms and Conditions](#).

*EPEAT registration varies by country. Please see www.epeat.net for specific country registration and rating.
