

Dell Premier

Designed for business. Customized for you.

Simplify eBusiness.

Premier provides your organization with a customized, secure online toolset for purchasing, reporting and product support.

Why Premier?

Explore products
Dell Systems and Peripherals Catalogs display the complete line of Dell branded products as well as a large selection of third party products at your pricing.

Customize purchasing
Shop a customizable site that enforces your organization's preferred products and services while maintaining purchasing consistency.

Streamline ordering
Simplify the purchase process to reduce errors often associated with manual orders while improving delivery time and controlling costs.

Track and manage
Manage users with ease, plus control and track orders, access invoices and download account history, all with robust reporting.

Premier Features

Easy access to your products, services and solutions

Simple site navigation

eQuote management
