Collaborate in stunning clarity
Collaborate conveniently right from your desk with both remote and desk-centric colleagues.
- Engage in virtual meetings with top-notch video quality, thanks to a built-in 2MP Full HD infrared camera. A camera shutter offers privacy when not in video mode.
- Communicate clearly and effectively with a noise-canceling microphone and dual 5W integrated front-firing speakers.
- Get superb screen clarity with Full HD resolution and see consistent colors across a wide 178°/178° viewing angle — critical for video conferencing.
- Quickly begin and end Skype calls with on-screen display buttons.

Secure, fast authentication via Windows Hello
Say hello to Windows Hello which greets you by name and lights up in your presence.
- Sign in to your Windows 10 devices, apps and websites with the Windows Hello facial recognition feature and built-in 2MP Full HD infrared camera. Biometric sensors activate and scan your face, eliminating the threat of hacking and providing enterprise-level security.
- Get to work in as little as two seconds with fast log-in, unlock and re-authentication — three times faster than remembering and typing in a password.

Designed to help maximize productivity
Do more during your workday with features that improve efficiency and usability.
