Welcome to Dell Digital Locker

The Dell Digital Locker allows you to view and manage your products, software, and licensing information in one location. You can:

- Download purchased software
- Access licensed software products
- Download updates and patches
- Manage user and product groups
- View software license entitlements

Quick Start Guide

Sign In   Create an Account

Sign in with the Dell Account used at purchase or assigned to you.
Open **Digital Products** page to see all the products within your account.

From this page you can open the **Product Management** page by selecting your product name to obtain your license.
Open **History** page to see all the products within an order

From this page you can see all the products within a selected order.
Open **Saved Search** page to see searches you have previously saved.

Under Advanced View, you can select the name or "Edit" to open a saved search. From this page, you can open or edit a saved search. When opened, your account will be queried using the criteria in the search item.
