

Dell UltraSharp 27 Monitor UP2715K

Experience breakthrough resolution like never before

Beautifully engineered with a spectacular visual and audio experience

Revolutionary Ultra HD 5K lets you view images you've captured on your highest resolution camera with the same superb level of detail.

- See the finest details on the 5120 x 2880 resolution monitor with over 14 million pixels; that's 6 million more pixels than an Ultra HD 4K screen.
- Get maximum on-screen clarity and vividness through optical bonding which dramatically reduces reflection.
- View and edit content in 4K resolution with ample space for controls, icons and text editing tools¹.
- Enjoy premium quality sound with integrated 32W Harman Kardon[®] engineered acoustics.

Extraordinary color performance with Dell PremierColor

Dell PremierColor offers a wide range of vivid, true-to-life colors that are factory calibrated to meet professional standards, with color adjustability options that are excellent for color critical projects.

- Get consistent and accurate colors right out-of-the-box with factory-tuned colors.
- Work with color that meets major industry color standards like 99% AdobeRGB and 100% sRGB with deltaE <2 .
- Easily adjust colors to suit your needs with the Custom Color feature, or opt for more precise color calibration with color palettes available via in the Dell UltraSharp Color Calibration Solution software³.
- Experience a wide AdobeRGB color gamut and color depth of over 1.07 billion colors that help distinguish low grayscale tones and enable a great level of detail even in dark areas.

Superb usability and reliability

Enjoy peace of mind with Dell's high reliability promise, and work the way you like with a multitude of adjustability and connectivity options.

- Fully adjustable with tilt, swivel, height adjust and pivot functionalities.
- Fast-charge your USB compatible devices at a fraction of the time through USB 3.0 ports.^{1†}
- Enjoy peace of mind and minimal downtime with Premium Panel Guarantee⁴ and 3 years Advanced Exchange Service⁵
- Meets business requirements with latest regulatory and environmental standards⁶.
